Appendix A

Section S1 - Suppliers: Manufacturing

100% of the cost of materials and supplies count toward DBE goal.

Section S2 - Suppliers: Regular Dealers

60% of the cost of materials, supplies, and delivery counts toward the dbe goal.

***** ALL BIDDERS TAKE SPECIAL NOTE OF THIS DBE CLARIFICATION *****

When a bidder uses a supplier who is a regular dealer, the bidder makes a two level commitment to DBE participation. The bidder makes a 100% commitment to the DBE regular dealer of which only 60% counts toward fulfillment of UDOT's DBE goal established in the bid proposal. In the DBE letter of commitment which is submitted with a bid proposal, the bidder must indicate both the total (100%) dollar amount committed to the DBE Regular Dealer and the 60% dollar amount which counts toward the DBE commitment for bid evaluation.

UDOT does not count the supply of asphalt cement as a regular dealer towards fulfilling DBE goals. For asphalt cement, UDOT counts only the transportation if performed by a DBE trucking firm with its own trucks and organization or only the mark-up by a DBE supplier who is a service provider. NO portion of the dollar value of the asphalt cement counts towards DBE goals.

Example:

DBE Regular Dealer Supplier	
Supply Items 10, 11, 12	$100,000.00
60% counts toward goal	$60,000.00
Total DBE Commitment for bid evaluation	$60,000.00

Section S3 - Suppliers: Service Providers

Only the fees or commissions charged by the DBE Service Provider count toward DBE goal. The cost of the materials or supplies are not counted toward the DBE goal.

***** ALL BIDDERS TAKE SPECIAL NOTE OF THIS DBE CLARIFICATION *****

When the bidder uses a supplier who is a service provider, the bidder makes a two level commitment to DBE participation. The bidder makes a 100% commitment to the DBE Service Provider of which only the fees or commissions charged by the DBE service provider count toward fulfillment of UDOT's DBE goal established in the bid proposal. In the DBE letter of commitment which is submitted with a bid proposal, the bidder must indicate both the total (100%) dollar amount committed to the DBE Regular Dealer and the dollar of the fees or commissions which counts toward the DBE commitment for bid evaluation.

Example:

DBE Service Provider	
Supply Items 10, 11, 12	$100,000.00
Fees or commissions count toward goal	$5,000.00
Total DBE Commitment for bid evaluation	$5,000.00
