Abstract:

The Federal Highway Administration (FHWA) and the Utah Department of Transportation (UDOT) in cooperation with Provo City, Orem City, Utah County, Lindon City, Vineyard Town, and Pleasant Grove City are proposing to make improvements to Geneva Road from Center Street/1600 West in Provo to Geneva Road/SR-89 in Pleasant Grove. Proposed improvements include the widening of Geneva Road to 3, 4, 5, and 7 lanes in various areas, sidewalk and parkstrip improvements, and intersection improvements. Two alternatives were considered in detail: the No-action Alternative and the Geneva Road Alternative, which was identified as the Preferred Alternative. Environmental impacts and mitigation measures to reduce the level of the impacts are discussed.

Comments on this Final Environmental Impact Statement are due by September 28, 2009 and should be sent to Horrocks Engineers, c/o Geneva Road EIS, 2162 West Grove Parkway, Pleasant Grove, Utah 84062.
