

**Human Resources**

The Department of Human Resource Management is responsible to aid in the efficient execution of public policy; foster careers in public service for qualified employees and render assistance to the Region in performing their mission. They are responsible for all of the Region's recruiting needs, classification needs and coordination with UDOT's accounting section of employee actions. They are responsible to advise leadership in all Human Resource matters.

**Administrative Services**

The Administrative Services Division is lead by the Administrative Services Manager. This group is responsible for all of the Region's finances and they direct the budgets of Administration and Operations. They process accounts payable, billings, payroll, travel, deposits and other accounting related activities. They oversee inventory, damage claims, reconciliations, utility payments and equipment rental. They coordinate other agency and group resources including the technical support, rotationals, interns, seasonals, and human resources. They also, direct facility management including maintenance and repairs of the Region buildings.
