Streamlined Request for Qualifications (RFQ)

To Whom It May Concern,

On October 9, 2013 The Utah Department of Transportation advertised a Request for Qualifications for the above project. At this time the Department has determined to delay this RFQ. Additional discussion about the funding sources has led the Department to this decision to postpone selecting a consultant to perform the services above.

The Department still plans to advertise this project in conjunction with Ogden City in the near future. Additional information will be provided in the future about this advertisement.

If you have any additional questions please contact Devon Tonks at dtonks@utah.gov or 801-965-4184.

Thank you for your interest in this project

Sincerely,

 Gaye Hettrick
