APPLICANT COMMENT AREA		
Please use this space to provide any additional information that may be helpful in evaluating this application for conformity with any applicable advertising regulations.		
APPLICATION COMPLETION CHECKLIST AND CERTIFICATION		
	Attach a location diagram, map or sketch that includes the required information (instruction on page 2)	
	Local Zoning Verification is completed and attached (page 2)	
	Attach a copy of the lease(s) and/or assignment of the lease(s) (including confirmation of legal access to the property)	
	Attach the current Building Permit	
	All fields in this application are fully complete	
	A check in the amount of \$950 for the nonrefundable permit application fee (payable to UDOT) is included with submission	
	The center point of the new proposed sign location is marked with a clearly visible stake and ribbon.	
<p>Signing below, I certify all the information provided on this form and submitted attachments are to the best of my knowledge true and complete. I certify this application contains no false or misleading statements and I understand any such statements will void the permit. I understand that a permit must be obtained prior to starting the construction of the sign at this location. I further acknowledge that construction of the sign shall begin within 180 days and shall be completed within 365 days after the "approved" date listed under "Step Two" on the internal review page of this application, or this initial approval becomes void and a new R-299 Form must be submitted. Finally, I understand I am required to notify in writing and submit post-construction photographs of the completed construction of this sign to the Outdoor Advertising Control Program within 30 days of the sign's completed construction in order to finalize "Step Three" on the second page.</p>		
<p>APPLICATION SUBMISSION INSTRUCTIONS: Please submit completed application, supporting documentation, and nonrefundable fee to the Utah Department of Transportation, Outdoor Advertising Control Program, 4501 South 2700 West, PO Box 148420, Salt Lake City, Utah 84114-8420. For additional information please send an email to: OutdoorAdvertisingControl@Utah.Gov, or call (801) 633-1466.</p>

Location

Attach a diagram, map or sketch depicting the area of the sign location and includes the following information:

- 1) route number(s);
- 2) the proposed sign location;
- 3) the proposed sign face orientation;
- 4) other off-premise sign(s) located within 500' feet of the proposed sign on the same side of the controlled route; and
- 5) location of interchange(s) and point(s) of gore within 500' of the proposed sign location.

Notation on the diagram, map or sketch shall include distances between each of the above listed items (if applicable) and the distance of the proposed sign location from the Right-of-Way Line.

UCA 72-7-505(3)(b) Spacing Conformity Verification

Please note if this sign is located within an incorporated or unincorporated area.

	This sign is located within an incorporated area, therefore UCA 72-7-505(3)(b) spacing requirements do not apply.
	This sign is located within an unincorporated area and meets the minimum UCA 72-7-505(3)(b) spacing requirements below:

Minimum of 500' of Clearance Feet From:	Yes	No
Public Parks		
Public Forests		
Public Playgrounds		
Areas Designated as Scenic		
Cemeteries		

Local Zoning Verification

Instructions: The zoning verification has two components. The first section shall be completed by the sign owner. This section includes the sign owner's name and the proposed sign location information. The second section is required to be completed by the local government who has jurisdiction over the property in which the proposed sign will be located.

TO BE COMPLETED BY APPLICANT:

Sign Owner Name:			
Sign is:	Existing	Proposed	
County:			
State Route Number:			
Location:	Lat:	Long:	
Parcel Number:			

TO BE COMPLETED BY THE APPROPRIATE ZONING OFFICIAL:

1	Current zoning of the parcel where the sign is (or will be) located:	
2	Approved uses for this zoning type:	
3	Website where Zoning Ordinance can be found:

Comments:

Conforming

Non-Conforming

Reason for Non-Conforming

STEP TWO—INITIAL APPROVAL/DENIAL

By checking the “approved” box, I certify the application and all required supporting documentation is complete. The application and associated documents have been reviewed and found to be **1)** in conformity with location criteria and **2)** in conformity with current Utah Outdoor Advertising Act and the Administrative Code R933-2. As a result, the application status is thereby formally approved. If the “denied” box is checked the reason(s) for denial are included within the “additional comments” section below and a copy of the denial is being forwarded to the applicant.
