

STUDY AREA

UDOT will evaluate social, economic, and natural environmental factors as part of the State Environmental Study Process. Proposed improvements will be evaluated within the following study area:

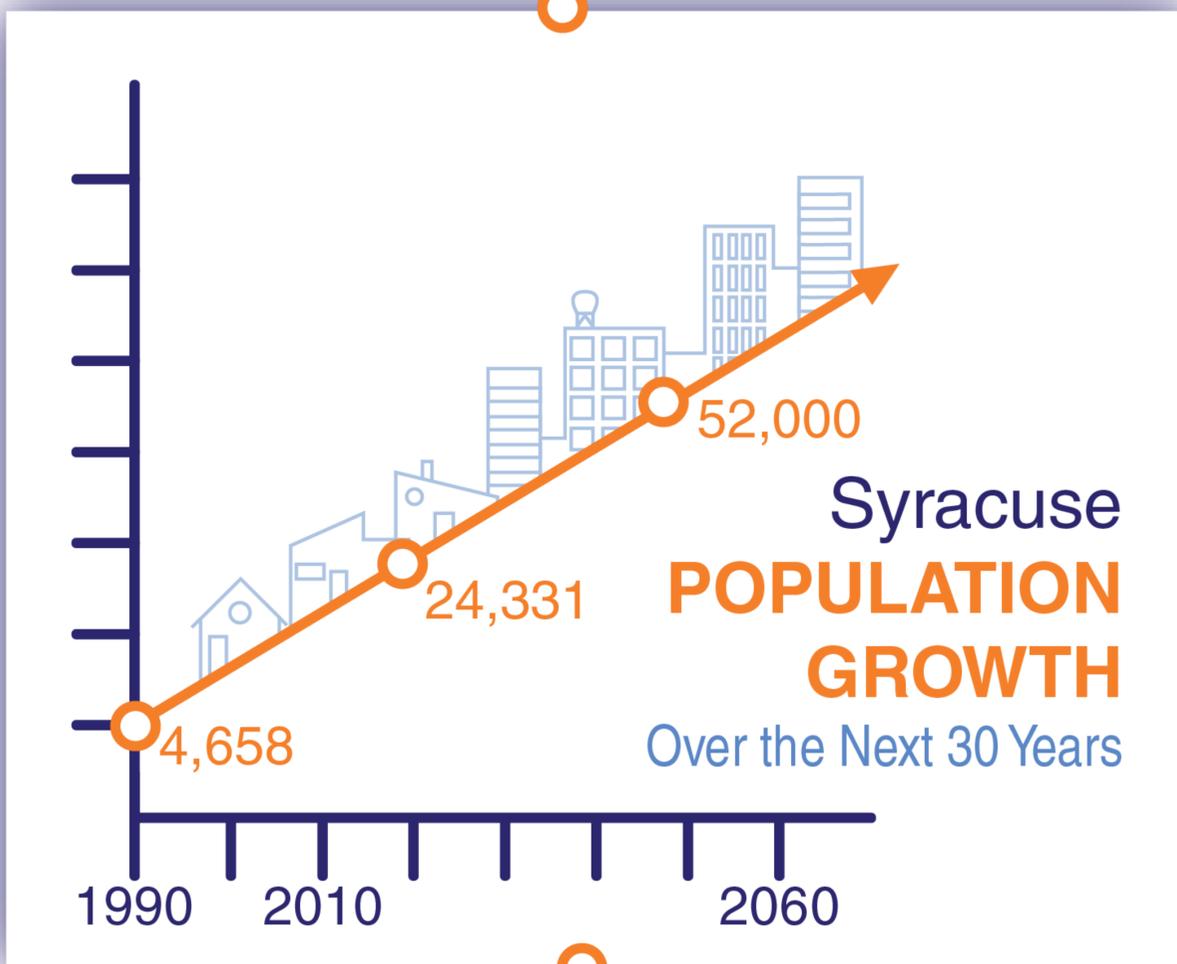

WHY IS THIS PROJECT NEEDED?

Commercial Growth

Residential Growth

Over the next 30 years, residential and commercial growth is projected to increase by over 100%

This growth will lead to an increase in:

- Traffic
- Travel Delay
- Employment

There are no designated bicycle lanes on Antelope Drive from 2000 West to 4500 West

Increased Commuter and

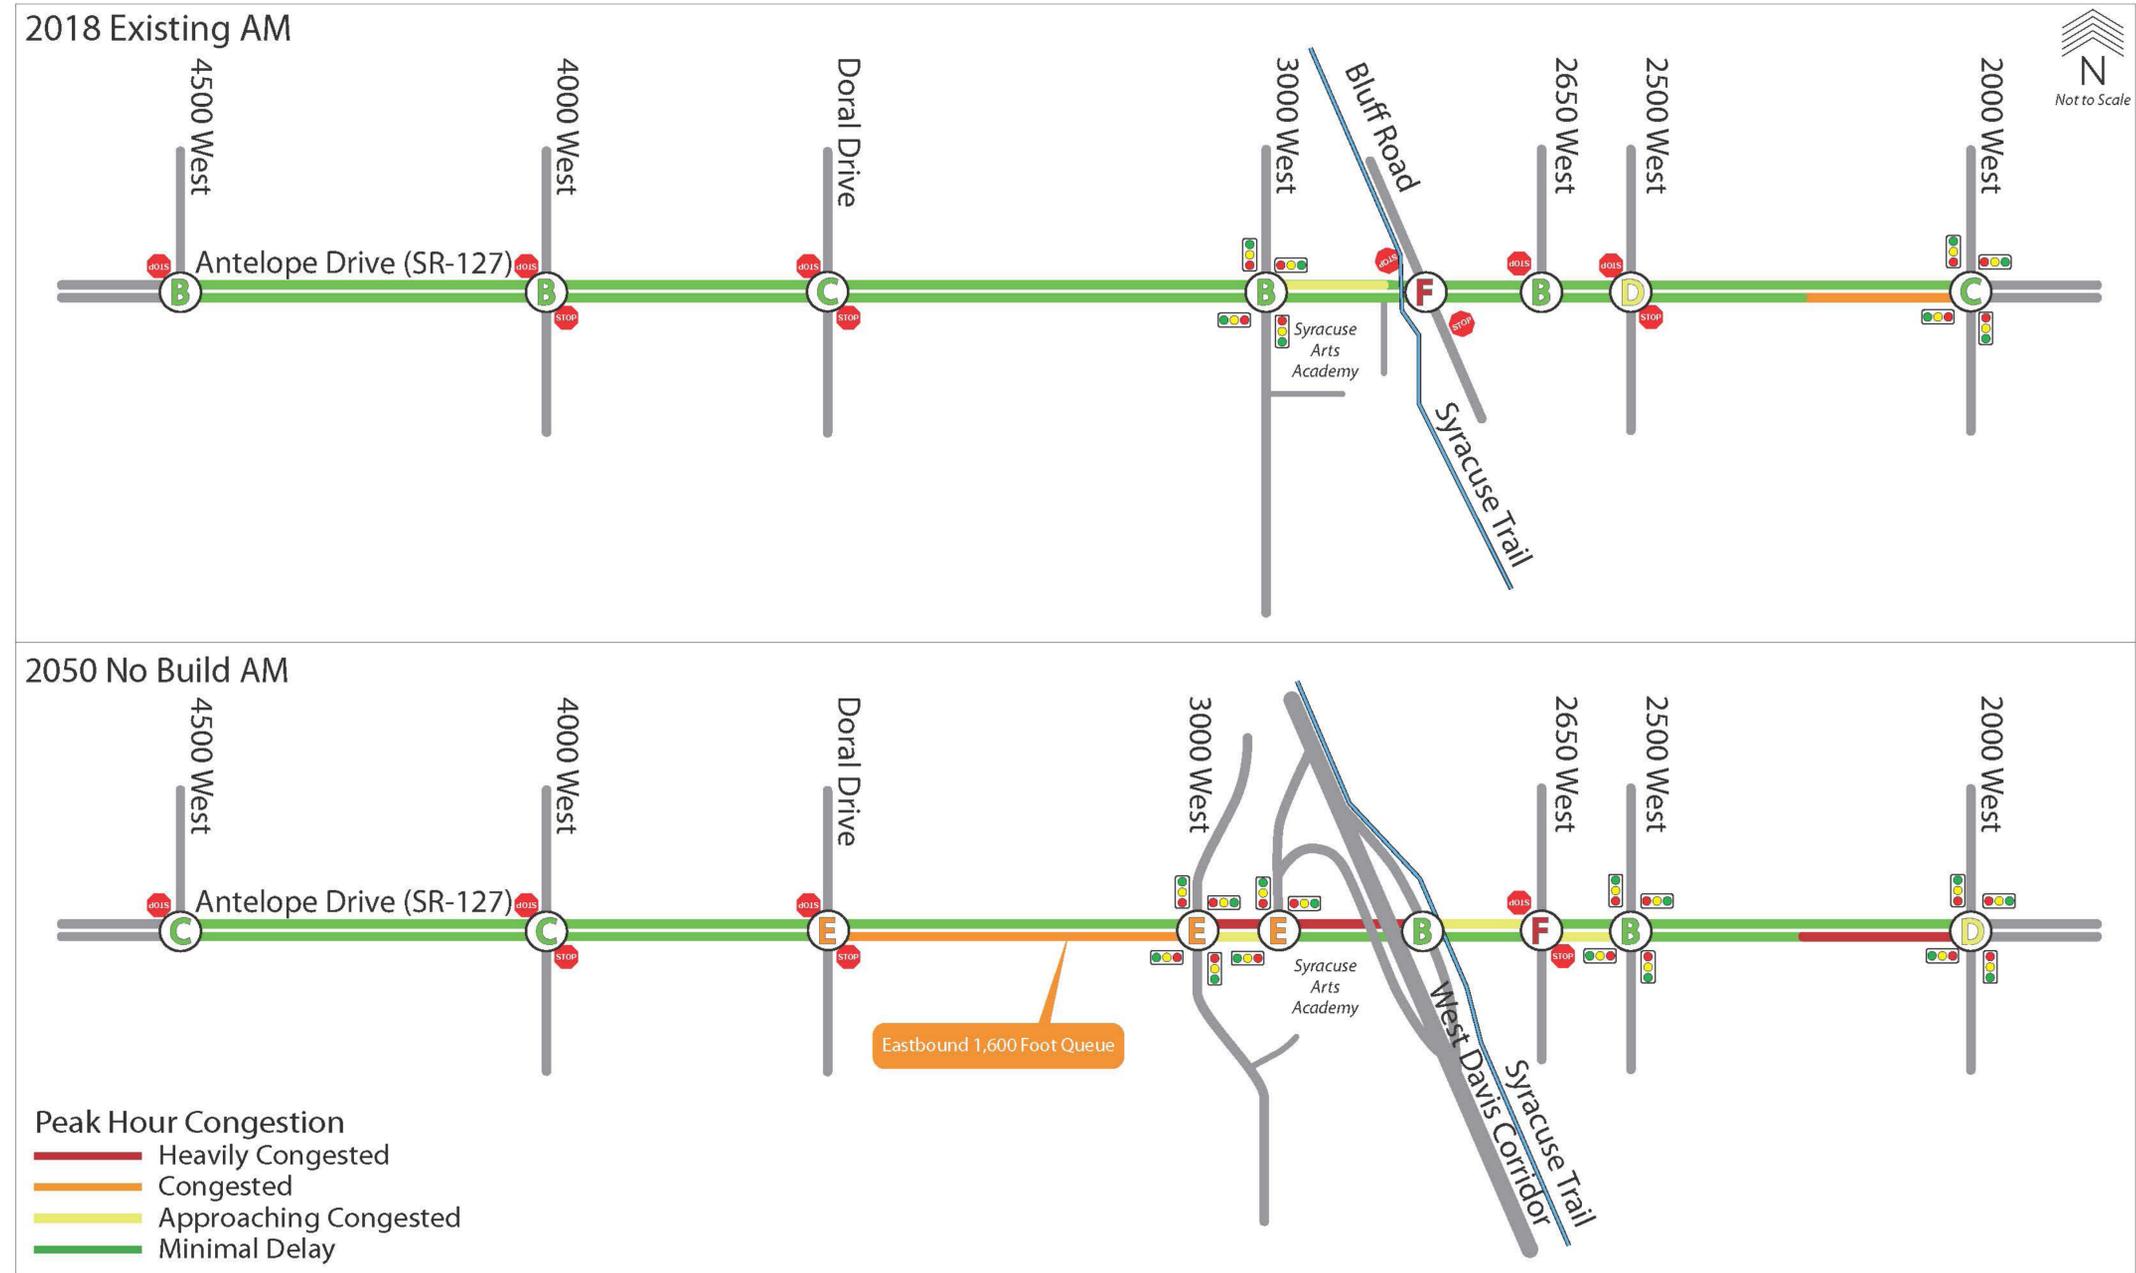

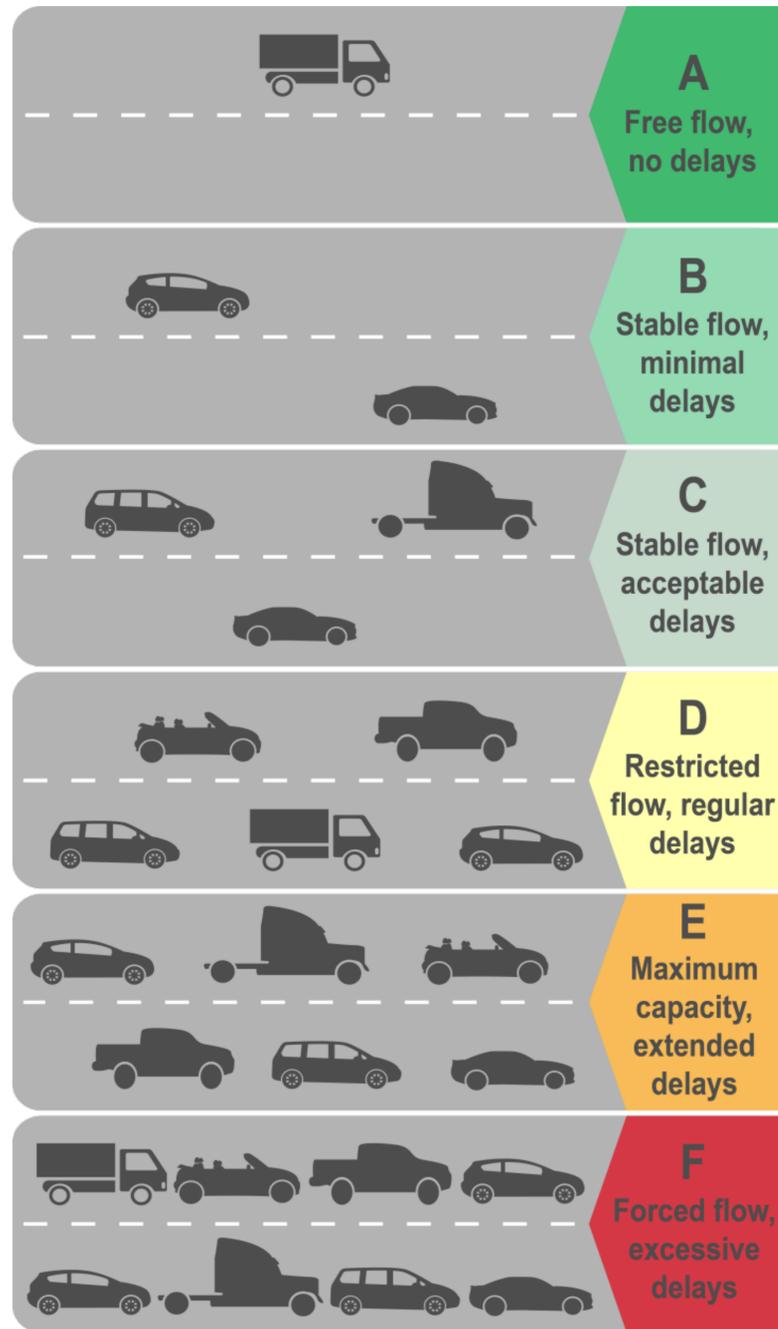

Increased Delay on

Increased Employment

WHAT TRAFFIC PROBLEMS EXIST?

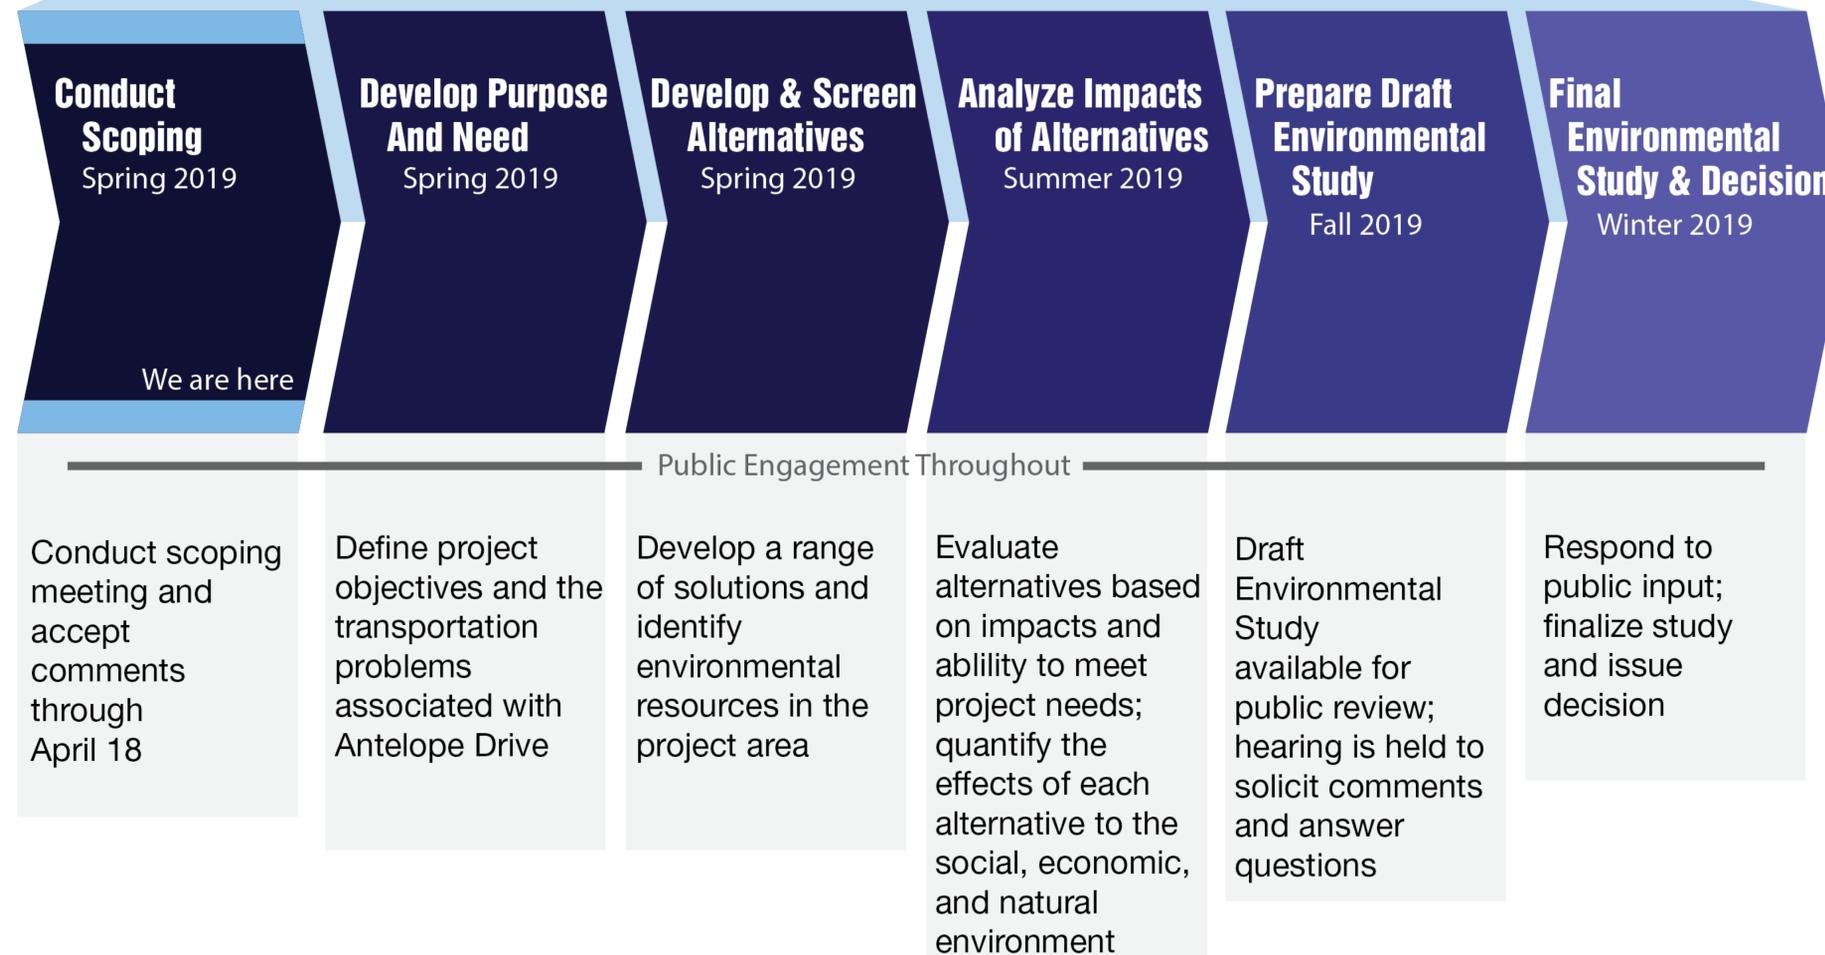

HOW IS THIS STUDY DIFFERENT FROM WEST DAVIS CORRIDOR?

	Antelope Drive Environmental Study	West Davis Corridor EIS
Purpose	Roadway Widening Evaluating improvements to Antelope Drive near future West Davis Corridor	20 Mile Corridor Developing a system-to-system network that would connect I-15 with the west side of Davis County
Schedule	One Year (12 Months)	Seven Years
Alternatives	Likely to have narrower range of alternatives due to focused study area and project purpose	Broader range of alternatives due to larger study area and broader project purpose
Public Involvement	Focused Outreach <ul style="list-style-type: none"> - Two Municipalities - Fewer Stakeholders - 2 Public Meetings Planned 	Intensive Outreach <ul style="list-style-type: none"> - Multiple Public municipalities - Many Stakeholders - Multiple public meetings

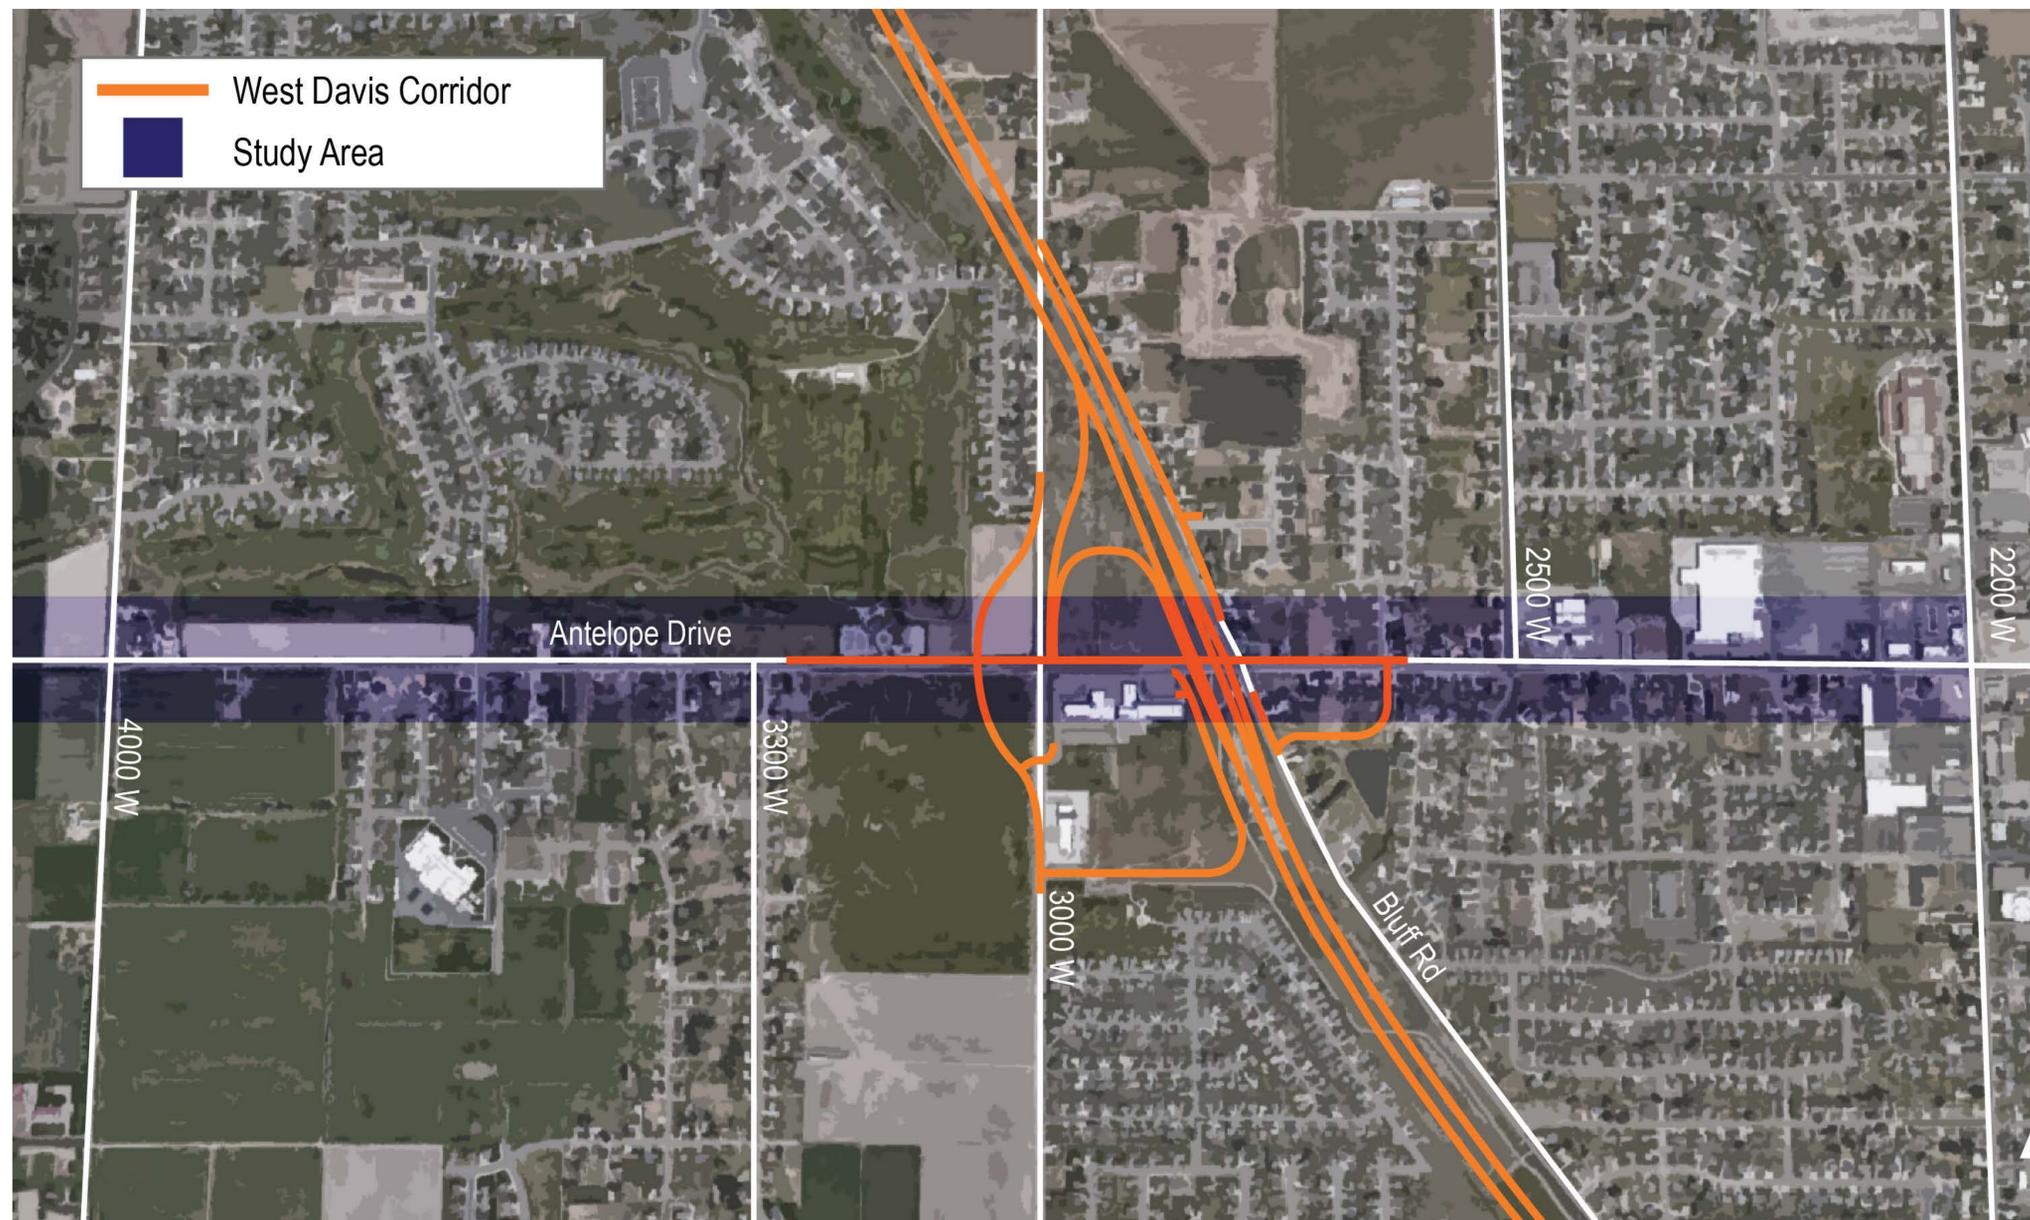

WHAT IS THE PROJECT PROCESS?

Environmental Schedule

WHAT IS THE CONNECTION TO WEST DAVIS CORRIDOR?

The West Davis Corridor (WDC) EIS included an interchange design for Antelope Drive

The interchange will be constructed as part of the WDC project

However, the preliminary design of the interchange may be reevaluated during the current Antelope Drive Study

HOW DO I COMMENT?

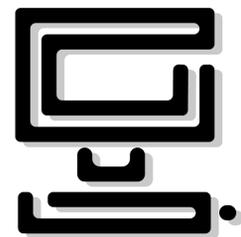

The official public comment period is from March 19 through April 18, 2019. Comments must be postmarked or emailed to the project team by midnight on April 18, 2019 in order to be included in the official transcript for the public scoping period.

Written comments may be submitted by:
