RESOLUTION

State Route 3

WHEREAS, with the construction of Interstate Project I-80N-6(8)57 in Morgan County from Gateway to Peterson, a distance of 4.029 miles and,

WHEREAS, portions of the old roadway will no longer serve as a public road but nevertheless other sections will still serve as a public road though not justified as part of the State System of Highways and,

WHEREAS, to maintain continuity in the State System of Highways and,

WHEREAS, in compliance with the resolution adopted by the Utah State Road Commission on August 20, 1962, designating Interstate 80-N as State Route 3 as maintenance responsibility is assumed.

NOW THEREFORE, pursuant to the Authority of Section 27-12-27, UCA, 1953, AS AMENDED it is hereby resolved as follows:

1. That the new alignment created by the construction of Federal-aid Interstate Project I-80N-6(8)57 from a point near Gateway to Peterson will be designated as State Route 3.

2. That the old location of State Route 3 from Engineer Station 29+76.14 ("X" Line) to Station 10+00 ("Q" Line) be transferred to the jurisdiction of Morgan County.

3. That the old location of State Route 3 from the beginning of the project to Engineer Station 29+76.14 ("X" Line) and commencing again at Station 10+27.53 (temporary connection) to end of project will be abandoned as these portions of roadway will no longer serve as a public roadway.

4. That application be made to the U. S. Department of Commerce, Bureau of Public Roads, to relocate Federal-aid Primary Route 23 to traverse the new roadway resulting from the construction of Project I-80N-6(8)57.
5. That by this action State Highway System mileage will decrease 0.834 + - mile, Morgan County "B" mileage will increase 3.330 + - miles and Federal-aid Primary System mileage will decrease 0.834 + - mile.

6. That Exhibit "A" attached herewith illustrating the action taken herewith is hereby incorporated as a part of this submission.

RESOLUTION

State Route 3

WHEREAS, that portion of Project I-80N-6(5)60, in Morgan County, from a point near Peterson Station to Stoddard, a realignment of State Route 3, is now open for traffic; and

WHEREAS, the old alignment is no longer justified as a part of the State Highway System, but, nevertheless, still serves a purpose as a public highway;

NOW, THEREFORE, pursuant to the authority of Sec. 27-12-29, UCA 1953, as amended, the State Road Commission hereby resolves as follows:

1. That State Route 3 on its old alignment from Engineer Station 10+00 (temporary connection) to Station 1034+00, Project I-80N-6(5)60 be relinquished from the State Highway System, and transferred to the jurisdiction of Morgan County.

2. That Project I-80N-6(5)60 as constructed on the new alignment between said aforementioned stations be designated as State Route 3.

3. That application be made to the U. S. Department of Commerce, Bureau of Public Roads, to transfer Federal-aid Primary Route 23 from the old alignment between Engineer Station 10+00 (temporary connection) and Station 1034+00 Project I-80N-6(5)60, to the new alignment between the aforementioned stations.

4. That by this action the State and Federal-aid Primary System be decreased by approximately 0.8 mile, and the Morgan County "B" mileage increased by 6.0 miles.
5. That the map attached hereto as Exhibit "A" illustrating the above indicated change is here-with adopted as a part of this Resolution.

Subject: Transfer to a new alignment a portion of State Route 3 in Morgan County

Dear Mr. Watt:

Effective April 28, 1966, the State Road Commission adopted a resolution transferring a portion of State Route 3, from a point near Gateway to Peterson in Morgan County, to the new alignment of Federal-aid Interstate Route 80N.

Portions of the old alignment are abandoned as they will no longer serve as a public road, however a portion of the old alignment, from the new alignment of State Route 3 (Interstate Route 80N) easterly via Mt. Green will serve as a public road and is transferred to the jurisdiction of Morgan County.

By this action State Highway System mileage will decrease 0.834 mile and Morgan County "B" mileage will increase 3.330 miles.

Transmitted herewith is a copy of the resolution and a location map.

Subject: Utah Systems Transfer of Federal-aid  
Primary Route 23 in Morgan County

Dear Sir:

We are today approving your request to transfer Federal-aid  
Primary Route 23 to the location created by construction of  
Interstate Project I-IG-80N-6(17)71 - Round Valley to Devils  
Glide in Morgan County. The portion of the old route which is  
needed as a public road has been transferred to Morgan County  
(between engineer's stations 1377+30 to 1401+90 and 1433+78  
to 1502+00). This action extends to the east that portion of  
FAP Route 23 coincident with I-80N in Morgan County, which was  
approved in September, 1953.

Approval of this transfer does not affect the approved route  
description of FAP Route 23; however, it reduces the length of  
The Federal-aid Primary system mileage 0.41 miles.

Frontage roads built under Project I-IG-80N-6(17)71, (specifically  
"W" line between stations 12+36 to 23+03 and "W" line between  
stations 10 to 33+12), are transferred to the jurisdiction of  
Morgan County.

The new alignment, transfers and abandonment are depicted on the  
map submitted with your request.

Very truly yours,

Memorandum

TO: B. Dale Burningham, Chief Research Engineer
FROM: W. E. Nickelson, District Engineer, District One

SUBJECT: Round Valley to Devils Slide I-80N-6(17)71 Disposition of Roads

DATE: Dec. 15, 1966

Inasmuch as the subject section of interstate highway in Morgan County is virtually complete, following are our recommendations for disposition of roads in that area:

1- The old highway lying northerly from I-80N between stations 1377/30 and 1407/90 should be transferred to Morgan County. Part of this section of road serves a wing dam on the river via a locked gate. In addition, Utah Power & Light Company desires to travel the old highway right of way to service their facilities in this area. The length of this section is approximately 3520 ft. or 0.666 mile.

2- The old highway lying northerly from I-80N between station 1439/66 and 1445/50 has no access and should be abandoned. The length of this section is 1035'/4 or 0.207 mile.

3- The old highway northerly from I-80N between station 1453/76 and 1508/2 should be transferred to Morgan County since it continues to function as a frontage or access road. The length of this section is 5555'/4 or 1.054 mile.

4- The "X" line from the northwesterly N/A line opposite station 1429/00 to its northeastern terminus opposite station 1436/78 should be turned over to Morgan County since it serves only private concerns. The length of this section is 1047'/4 or 0.198 mile.

5- The "X" line from the southeasterly N/A line opposite station 1429/00 easterly to its connection to the old highway opposite 1453/78 should be turned over to Morgan County as part of a local access road. The length of this section is 1786'/2 or 0.338 mile.

6- The areas shaded red on the attached print are to be abandoned to Morgan County. Those shaded green should be abandoned.

and extension of State Route 49 in Davis and Weber Counties

Effective January 23, 1968, the State Road Commission adopted a  
resolution transferring a portion of State Route 3, to Interstate  
Route 80N from Interstate Route 15 in Riverdale easterly via the  
proposed alignment of Interstate Route 80N to Uintah Junction.

Also effective this date, State Route 49 was extended from its  
present termini at Uintah Junction northwesterly via the former alignment  
of State Route 3, to a junction with State Route 166 in Ogden.

Transmitted is a copy of the resolution and a location map.

Very truly yours,

SUBJECT: Commission Actions on January 23, 1968

DATE: January 24, 1968

The Road Commission at its meeting on January 23, 1968 approved
the resolutions prepared by the Planning Statistics Sections as follows:

1. Transfer to "B" System of roads near Hamilton Fort.

2. Deletion from the State System the portion of old US-91
   connecting to the Cedar City Dump and the frontage road
   on the south side of the Interstate Highway.

3. Transfer to the "B" System of the road in Echo Canyon.

4. Modification of State and Federal route numbers between
   Riverdale and Uintah.

5. Modification of PFS 379 at Cedar City.

The Commission was informed by its legal counsel that there is a
question on the legality of the expenditure of funds on roads not on the
State System. The Commission, therefore, deferred action on the transfer
of the road between Coaldale and Wanship until the wishes of the Summit
County Commission are made known on the matter of improvements committed
by the State for this road. Commissioner Feltch will contact the County
and report the County's recommendations to us.

Please amend your records to reflect the changes made by adoption
of the resolutions. Also, please notify the District Engineers and
appropriate local officials affected and make the necessary applications
to the Bureau of Public Roads for modifications in Federal-aid Systems.

RESOLUTION

State Route 3

Federal-aid Secondary Route 178

Federal-aid Primary Route 3

Relinquishment of State Constructed Frontage and Access Roads

WHEREAS, the completion of Interstate Projects I-80W-6(6)77, first and second contracts, from Henefer to Echo Junction in Summit County has resulted in the construction on new alignment sections of new roadway, frontage roads and access roads, and

WHEREAS, the old alignment of State Route 3 will serve as a frontage road for public use though not justified as part of the State System of Highways, and

WHEREAS, the constructed frontage and access roads will serve as public roads though not justified as part of the State System of Highways, and

WHEREAS, it has been recommended by Mr. J. Q. Adair, District Engineer, and concurred in by the Summit County Commission that the old alignment of State Route 3 from the Henefer east interchange to Echo Junction and the frontage and access roads designated as the "E", "F" and "P" lines be relinquished and conveyed to Henefer City and Summit County respectively, and

WHEREAS, to maintain continuity in the Federal-aid System of Highways, it is recommended that Federal-aid Secondary Route 178 be extended to be coincident with State Route 65 through Henefer, and that Federal-aid Primary Route 3 be relocated to be coincident with the new alignment of State Route 3.

NOW THEREFORE, pursuant to the authority of section 27-12-27, UCA, 1953, as amended, it is hereby resolved as follows:

I-80N-6(6)77, first and second contracts, be designated as a part of State Route 2,

That the Utah State Road Commission relinquishes and conveys the old alignment of State Route 3 from the Henefer east interchange to Echo Junction and the frontage and access roads as noted on the attached map of Henefer City and Summit County for use as public highways subject to the following conditions:

a. That Henefer City and Summit County may not abandon these roads as public roads without prior approval of the Utah State Road Commission and the Federal Highway Administration.

b. That should it be found at any time that any part of the facilities relinquished are required for the safe and proper operation of the Federal-aid Highway, the facilities will revert to the State Road Commission without cost.

That the map showing the roadways to be relinquished are hereby incorporated as a part of this submission,

That the letters from Henefer City and Summit County relating to the concurrence to the roads to be transferred to their jurisdiction be hereby incorporated as a part of this submission,

That the memorandum from Mr. J. Q. Adair, relating to his recommendations transferring the subject roads to Henefer City and Summit County be hereby incorporated as a part of this submission,

That by this action Summit County "p" mileage will increase 8.6 ± miles,

That by this action Henefer City "c" mileage will increase 1.6 ± mile,

That this action becomes effective upon the approval of the Federal Highway Administration indicating concurrence in the aforementioned relinquishment and conveyance of roads in accordance with Policy and Procedure Memorandum 80-5.

SUBJECT: Transfer of Frontage and Access Roads in Monafer City and Summit County, Relocation FAP-3 and Extension FAS-173

DATE: April 20, 1971

On April 23, 1971, the Utah State Road Commission adopted a resolution proposing that the frontage and access roads constructed as part of Interstate Projects I-80N-6(0)77 1st and 2nd Contracts be relinquished and conveyed to the jurisdiction of Monafer City and Summit County.

In accordance with Policy and Procedure Memorandum SC-5, we hereby request your concurrence in the transfer of these frontage and access roads to the jurisdiction of Monafer City and Summit County.

Also in the aforementioned resolution, the Utah State Road Commission recommends that Federal-aid Primary Route 3 be relocated to be coincident with the relocation of State Route 3 and that Federal-aid Secondary Route 173 be extended to be coincident with the complete connection of State Route 63 through Monafer. Approval of these recommended changes would not change the approved description of Federal-aid Primary Route 3.

SUBJECT: Utah Systems: Transfer of Frontage Roads in Henefer City and Summit County, Relocation of FAP-3 and Extension of FAS-178 and FAS-595

DATE: May 10, 1971

In reply refer to: 09-42.4

We concur with the transfer of frontage and access roads to the jurisdiction of Henefer City and Summit County as described in your April 29 submittal. This transfer also includes the old alignment of State Route 3 from the Henefer east interchange to Echo Junction.

The request to relocate FAP-3 to be coincident with the relocation of State Route 3 and that FAS-178 be extended to be coincident with the couplet connection of State Route 65 through Henefer is approved. Under this action FAS-595 is extended to FAP-3.

This third secondary system action of the year increases the secondary system by 2.4 miles for a net increase of 3.0 miles to the secondary system since January 1, 1971.

A copy of the approved route description is attached for your records.

STATE OF UTAH
J. Quintin Adair
District Engineer
Utah State Department of Highways
2410 West 21st South
Salt Lake City, Utah 84119

Dear Mr. Adair:

Referring to Disposition of State Constructed Frontage Road:

At a meeting held April 5, 1971, members of the Henefer Town Board agreed to approve acceptance of the following section of road for maintenance responsibility:

The frontage road for Henefer's responsibility would be on the southwesterly side of the interstate running from the west boundary to the southeast boundary of Henefer, approximately one mile.

This action was taken with the understanding that Henefer Town will be credited with "C" funds for maintenance.

Sincerely,

J. Edward Wright, President of the Board
