TO: Mr. B. Dale Burningham, Act. Chief Research Engineer  
    State Building, Salt Lake City, Utah

FROM: Mr. Blaine J. Kay, District Engineer

DATE: June 27, 1961

SUBJECT: State Route 5, U.S. 30S, Between Morgan City and Stoddard. Morgan County, Utah.

Reference is made to your memorandum dated June 20, 1961, in which you notified this office that the Road Commission had acted on transferring the above named section of Highway back to the jurisdiction of Morgan City and Morgan County.

In reviewing this memorandum I note that the section of road affected includes all of U.S. 30S between Stoddard and the east portion of the Morgan Interchange. In discussing this matter with Morgan City I indicated that since the old U.S. 30S between the west and east structures of the Morgan Interchange would function as a part of this Interchange I felt that this section of road should properly be a portion of the State Highway System. Therefore, Morgan City only concurred in the acceptance of the responsibility of the old highway between the west City Limits and the west structure of the Interchange or the Junction of U.S. 30S and U-66.

It is requested that you review this matter and I wish to recommend that the portion of old U.S. 30S through the Morgan Interchange be retained on the State System.

Subject: Transfer of 30S Between Morgan and Stoddard to the County System

This is to request that steps be taken to take 30S, between Morgan and Stoddard, off the State System and transfer it back to the County. It is my understanding that the County has agreed to do this but it should be done in the official way.

RESOLUTION
State Routes 5 and 171

WHEREAS, with the completion of Interstate Projects near the vicinity of the mouth of Parleys Canyon it is deemed necessary to redesignate various portions of the State System of Highways in this area and

WHEREAS, that the portions of State Route 171 being deleted from the State System of Highways will no longer be justified as a part of the State System of Highways but nevertheless will still serve as a public road and

WHEREAS, to provide continuity in the State System of Highways,

NOW, THEREFORE, pursuant to Authority 12-27-12, UCA, AS AMENDED, it is hereby resolved as follows:

1. That State Route 171 will terminate at Wasatch Boulevard and 33rd South.
