RESOLUTION

Redesignation of Various State Routes

WHEREAS, it has been determined that it would be advantageous for record keeping and developing a Highway Reference System that various state routes be redesignated by hierarchy with the route number being synonymous with the US route designation, and

WHEREAS, this proposed revision of State Route Designations is concurred in by all District Directors.

NOW THEREFORE, be it resolved as follows:

That Interstate Route 15 be designated as State Route 15 and by this action delete the designation of State Route 1 and redesignate present State Route 15 as State Route 9,

That Interstate Route 80 be designated as State Route 80 and by this action delete the designation of State Route 2 and redesignate present State Route 80 as State Route 92.

That Interstate Route 80N be designated as State Route 82 and by this action delete the designation of State Route 3 and redesignate present State Route 82 as State Route 126.

That Interstate Route 70 be designated as State Route 70 and by this action delete the designation of State Route 4 and redesignate present State Route 70, part of State Route 102, part of State Route 69, part of State Route 16 and State Route 51 as State Route 30 and by this action delete the designation of State Route 51.

That Interstate Route 215 be designated as State Route 215 and by this action delete the designation of State Route 5.

That US-6 and 50 from the Utah-Nevada State line to Delta be designated as State Route 6 and that US-6 from Delta to the junction with I-70 west of

SR-70, SR-102, SR-69, SR-16 and SR-51 in District 1, remove rectangular route signs from sign posts.

US-89 signs thru Sevier Valley will be replaced with "Temporary I-70" signs with rectangular signs under the Temporary I-70 sign indicating the State Route designation until completion of I-70 thru this area. Upon completion of I-70 between Sevier Junction and Salina all State Routes will be redesignated by their designated State Route, District 3.

Present State Routes 15 and 80 will be dual route signed for a period of approximately two years as a guide to Tourists, Districts 5, 3 and 6.

All directional signing (junction signs, etc.) affected by these revisions will also require changing.

RESOLUTION
Extension State Route 13
Federal-Aid Secondary 599
On Temp-15 from Riverside
to S.B. Ramos at Plymouth Interchange
Project No. I-15-8(61)387

WHEREAS, Section 27-12-27 of the Utah Code 1987-1988 provides for the addition or deletion of highways from the state system and,

WHEREAS, the District One Director recommends the roadway currently serving as temporary Interstate 15 and roadway currently serving as a County facility (20800 North) be placed on the state system and,

WHEREAS, construction of Interstate 15 provides a need for the Plymouth Interchange to be serviced by a state highway and,

WHEREAS, Box Elder County has concurred with the proposed extension of State Route 13 and,

WHEREAS, the appropriate staff of the Transportation Division has reviewed the proposed extension of State Route 13.

NOW, THEREFORE, be it resolved as follows:

1. State Route 13 be extended from State Route 129 north, traversing roadway known as Temporary Interstate 15 to a junction with roadway known as 20800 North, thus traversing westerly via 20800 North a portion of which is known as (F line project Number I-15-8(61)387, to the southbound on and off ramps of Interstate 15 a distance of 7.84+ miles.

2. The section of roadway known as 20800 North a portion of which is known as F line project Number I-15-8(61)387 from station no. 21+29 to station no. 43+00 be functionally reclassified Major Collector a distance of 0.58+ miles.

3. Federal-Aid Secondary Route 599 be extended traversing the alignment described for State Route 13 extension a distance of 7.84+ miles.

4. The remaining portion of Temporary I-15 that traverses northwesterly from where extended State Route 13 turns west be under the jurisdiction of Box Elder County a distance of 1.28+ miles and be functionally classified Local.

5. By this action Box Elder County's "B" system mileage will increase 0.70+ miles.

6. The above mentioned changes be actuated upon completion of that portion of interstate system traversing from SR-129 to the previously completed interstate north of Plymouth.

7. The accompanying map and letters be made part of this resolution.

SUBJECT: Extension of SR-13 Designation

DATE: April 21, 1988

In our routine signing and maintenance activities we have found the designation of temporary I-15 in Box Elder County to be somewhat awkward in administering. Since the Utah Highway Systems Study is recommending that this highway be State administered even after opening of I-15 we request that you go ahead with the redesignation of this entire route as State Route 13. Please include in this change the transfer of the temporary connection between Nucor access road and I-15 to the County and the Nucor access road from I-15 back to the current state route to become a state highway.

We will send a letter of concurrence from the County as soon as we obtain it. The transfer of the mileages between UDOT and the County should take place when I-15 opens to traffic.

RE: Frontage road transfers in Box Elder County

Dear Howard

We have reviewed the proposed transfer of frontage roads on the I-84 and I-15 systems. We concur with the proposal except for the following comments.

1. On I-84 "E" Line we understood that there was going to be placed delimiters along the fill that fronts Floyd Egglis' property or a beam guard rail to protect from going off the fill.

2. All dead end roads should have a turn around of not less than 100 foot diameter.

3. At Whites Valley exit, "U" Line, does this include under I-84 and to the gate or to the south entrance of the structure?

4. On I-15 "E" Line sheet A, it is our understanding that this is SR129 from the interchange to 6000 West and not a county road, the only portion that might be county is a short section west of the on and off ramp.

5. We are not in favor of the state turning Temp.I-15 from Riverside to Plymouth or I-15. This move would leave I-15 as the only State route through this area and would deplete the state route for the people in this portion of the county to obtain access to I-15.

6. On sheet 18 of I-15 there are several errors, parts of this area has been annexed to Tremonton, see map enclosed. Therefore these section within Tremonton City should go on their system.
7. Again on Sheet 13 "J" Line should include a turnaround not less than 100 feet in diameter for access at the end. Also, we are unclear what the purpose of the "JB" Line is. This has no purpose that serves the county.

8. On Sheet 1-C of I-15 "L" Line is very controversial; we feel that the county road should end at the west line of the cemetery and that the remainder be turned over to the private sector as they seem to want to control access with locked gates. We are still concerned about the run-off factor at this point and the lack of concern by the Department of Transportation for the washing effect that this funnel will create on this road. If this is to be turned over to the county, there can not be locked gates and there should be a turn-around not less than a 100 foot diameter at the end. The gates shall then be installed to provide access to each individual owners.

We understand that all frontage roads etc. on I-15 will not be turned over to the county until final acceptance has been completed. If we need to discuss these with you further please let us know and we will be happy to meet with you.

Denton H. Beecher
County Surveyor

Dear Clint:

We are in receipt of your letter dated June 8, 1988, wherein you are asking for our concurrence to take over the frontage roads of I-84 and I-15 when the system is finished.

Based upon our latest discussions and the revised drawings, we do concur with the frontage roads. We still reserve the right to reject 13600 North, west of the Garland Cemetery, if agreements are not reached regarding the gates and cattle movements in the area.

When the final resolutions are reached and the changes made, we would appreciate a final of the mileage.

Thank you for your assistance.

Dear Marjorie,

This is to advise that Box Elder County will transfer the ownership and maintenance of 4800 W in Corinne from SR-83 to SR-13 over to UDOT.

We trust this is the information you require.

Respectfully,

Jay E. Hardy, Chairman
Box Elder County Commission
