DESCRIPTION OF RESOLUTION CHANGE

(A). Deletion - Deleted SR-51 as a State Route Designation.

RESOLUTION

Redesignation of Various State Routes

WHEREAS, it has been determined that it would be advantageous for
record keeping and developing a Highway Reference System that various state
routes be redesignated by hierarchy with the route number being synonymous with
the US route designation, and

WHEREAS, this proposed revision of State Route Designations is con-
curred in by all District Directors.

NOW THEREFORE, be it resolved as follows:

That Interstate Route 15 be designated as State Route 15 and by this
action delete the designation of State Route 1 and redesignate present State
Route 15 as State Route 9,

That Interstate Route 80 be designated as State Route 80 and by this
action delete the designation of State Route 2 and redesignate present State
Route 80 as State Route 92,

That Interstate Route 80N be designated as State Route 82 and by this
action delete the designation of State Route 3 and redesignate present State
Route 82 as State Route 126,

That Interstate Route 70 be designated as State Route 70 and by this
action delete the designation of State Route 4 and redesignate present State
Route 70, part of State Route 102, part of State Route 69, part of State Route 16
and State Route 51 as State Route 30 and by this action delete the designation of
State Route 51,

That Interstate Route 215 be designated as State Route 215 and by this
action delete the designation of State Route 5,

That US-6 and 50 from the Utah-Nevada State line to Delta be designated
as State Route 6 and that US-6 from Delta to the junction with I-70 west of
RESOLUTION
Redesignation of Various State Routes

Green River also be designated as State Route 6 and by this action delete the designation of State Route 27,

That US-40 be designated as State Route 40 and by this action delete the designation of State Route 6 and redesignate present State Route 40 as State Route 134,

That US-50 from Delta to Salina be designated as State Route 50 with the exception of that section coincident with Interstate Route 15 and by this action delete the designation of State Route 26 and redesignate a part of present State Route 50 as State Route 26,

That US-89 be designated as State Route 89 with the exception of those sections coincident with Interstate Route 70, US-6, I-15 and US-91 and by this action delete the designation of State Route 259; part of State Route 11; part of State Route 28; State Route 32; State Route 8; State Route 271; part of State Route 106; State Route 169; State Route 49; part of State Route 50; part of State Route 84; State Route 13 and the remaining part of State Route 16; redesignate present State Route 89 as State Route 169 and redesignate that portion of State Route 84 from Brigham northerly to State Route 30 as State Route 13,

That US-91 be redesignated as State Route 91 and by this action delete the designation of State Route 89,

That US-189 be designated as State Route 189 with the exception of those sections coincident with US-40 and Interstate Route 80 and by this action delete the designation of State Route 7; 151 and part of State Route 35,

That US-163 be designated as State Route 163 and by this action delete the designation of State Route 47; part of State Route 9 and redesignate present State Route 163 as State Route 78,

That US-666 be designated as State Route 666 and by this action delete
the remaining portion of State Route 9,

That as a result of the aforementioned revisions the State Routes involved will be described as follows:

SR-70, SR-102, SR-69, SR-16 and SR-51 in District 1, remove rectangular route signs from sign posts.

US-89 signs thru Sevier Valley will be replaced with "Temporary I-70" signs with rectangular signs under the Temporary I-70 sign indicating the State Route designation until completion of I-70 thru this area. Upon completion of I-70 between Sevier Junction and Salina all State Routes will be resigned by their designated State Route, District 3.

Present State Routes 15 and 80 will be dual route signed for a period of approximately two years as a guide to Tourists, Districts 5, 3 and 6.

All directional signing (junction signs, etc.) affected by these revisions will also require changing.

Gentlemen:

The Route Numbering Committee reviewed the application coming from the Idaho Department of Transportation, and concurred in by the Utah Department of Transportation, for the redesignation of I-80N.

After reviewing the application, together with objections raised by States of Washington and Oregon, the Committee voted to redesignate I-80N as I-84, subject to concurrence by the Federal Highway Administrator, and with the State of Oregon in consultation with the States of Utah and Idaho to make the determination when the sign change would take place; but no later then July 1st, 1980.

This action was reviewed by the Executive Committee at its meeting on July 7th, 1977, and concurred therein.

RESOLUTION

Deletion of Portion SR-156
Addition of SR-51

Whereas, Section 27-12-27 of the Utah Code 1990 provides for the Addition to or deletion from the State Highway System, and

Whereas, in a recent meeting with officials from Spanish Fork City, Utah County, The District 6 Director and representatives of the Utah Legislature, concurrence was reached on a solution to certain safety hazards inherent to the intersection residing on SR-156 entitled (Maggie's Bend), and

Whereas, said solution involves certain additions to and deletions from the State Highway System, and

Whereas, the appropriate staff of the Transportation Planning Division have reviewed the safety problems created by the poor geometric design of the intersection of SR-156 entitled (Maggie's Bend) and concur with the need for proposed jurisdiction changes.

NOW THEREFORE, be it resolved as follows:

1. Roadway residing as SR-156 from M.P. 0.97 traversing easterly to M.P. 2.22 (Maggie's Bend), a distance of 1.25+ miles be deleted from the State System of Highways and placed under the jurisdictions of Spanish Fork City a distance of 1.06+ miles and Utah County a distance of 0.19+ miles. The Functional Classification will remain Urban Collector and the Federal-aid System designation will become local FAU-6005.

2. Roadway known as (Child's Road) from a junction with SR-147 traversing northeasterly to a junction with current SR-156 (Maggie's Bend), will be placed on the State System of Highways as the beginning portion of SR-51 a distance of 0.38+ mile. That portion of SR-156 from (Maggie's Bend), M.P. 2.22 to the junction with SR-89 in Springville M.P. 5.15 a distance of 2.93+ miles will be reassigned as the ending portion of SR-51, making the distance of new SR-51 a total of 3.31+ miles. The Functional Class for the Beginning portion of SR-51 will be Urban Collector with the Functional Class on the portion of roadway that is currently SR-156 remaining Major Collector. The beginning portion of new SR-51 from the junction with SR-147 to (Maggie's Bend), will be assigned Federal-aid number FAU-6008 and the remainder of new SR-51 from (Maggie's Bend), to the junction of SR-89 in Springville remaining FAS-214.
3. This resolution will be actuated upon approval of the Transportation Commission.

4. The accompanying Memorandums, Letter, Notification of Highway System Change Proposals, and maps be made part of this resolution.

SUBJECT: Exchange of roads between Utah County and the Department

The District has had two recent meetings with officials from Spanish Fork City, Utah County and the Legislature regarding an intersection near Spanish Fork City on SR-156 entitled Maggie’s Bend. Two serious accidents have occurred in the past several months and local residents are seeking an immediate correction of the poor geometric design at the intersection. Residents and some of the local officials have asked that we "T" the intersection which would require a stop sign on the State highway; however, it’s not a simple solution and raises significant safety issues, particularly with the 6% super elevation that is built into the long horizontal curve on the State section of highway. We feel a more logical solution would be to extend State Route 156 southerly along the section of county highway (see attached drawing) to State Route 147 and to have the existing section of State Route 156 from Spanish Fork Mainstreet to Maggie’s Bend become a local road. Officials from Spanish Fork City, Senator Eldon Money and Representative Tim Moran agree with the concept and feel it would be an acceptable solution to the problem. The dangerous "Y" intersection at Maggie’s Bend would be eliminated and the old SR-156 would intersect new SR-156 as a "T" but as a local road, would not have to meet the same AASHTO standards the State would be constrained with because of lower speeds and narrower pavement widths.

For these reasons, it is desirable that we effect a change of these roads as detailed on the attached drawing and respectfully request that the Planning Division review our recommendations and respond accordingly with the Commission for approval. Please let us know if there are questions or if additional information is needed.

SUBJECT : Proposed changes to State Route 156 at Spanish Fork

Attached is a newspaper article which appeared in "The Daily Herald", Thursday, January 16, 1992. Also attached is the typical response I am making to the various people who have written recently regarding the Maggie's Bend intersection.

Since our proposed solution has been presented and accepted by the local authorities, we cannot afford any delays in implementing this plan. There has already been one serious accident at this location since we first met with Senator Eldon Money and Representative Tim Moran and agreed to proceed to change the intersection.

Your action to obtain Commission approval for these changes to State Route 156 is essential.

Mayor Delora P. Bertelsen  
Springville City Corporation  
50 South Main  
Springville, Utah 84663  

Dear Mayor Bertelsen:

Thank you very much for your letter expressing your concern with that section of State Route 156 between Springville and Spanish Fork known as "Maggie's Bend". We are aware of the serious accidents that have occurred recently at that location and have in fact met with those accident victims to discuss possible solutions.

A meeting was held on January 13, 1992, with representatives from Utah Department of Transportation, Utah County and Spanish Fork City attending. The solution agreed upon at that time was to delete the section of State Route 156 from Maggie's Bend down past McDonald's and along 800 North to Spanish Fork Main Street from the State Road System and add the county road known as "Childs' Road" from Maggie's Bend over to 400 North State to the State Road System.

Temporarily, an access would be constructed right at Maggie's Bend bringing the road past Millers in a "T" intersection with the new State Road. The Maggie's Bend curve itself would be eliminated using barricades and barrier. As soon as possible, Spanish Fork City and Utah County have agreed to complete construction of Expressway Lane from K-Mart and create a new "T" intersection north of Maggie's Bend on State Route 156. Utah Department of Transportation will provide adequate deceleration and turn lanes at that location.
This solution will bring the entire area into compliance with current design standards and still provide good service to the traveling public. The changes in the State Road System require action by the Transportation Commission and will be presented to them at their meeting on February 14, 1992. Following their approval, the changes will begin immediately. In the meantime, comments or questions should be directed to Mark Musuris, Engineer for Transportation Planning, 4501 South 2700 West, Salt Lake City, Utah 84119, telephone 965-4158.

Thank you again for your concern and for your support in making this area safer for the traveling public.

Sincerely,
