COUNTYNOLUME & RESOLUTION NO.

A. Emery Co. 6/13  B. Emery Co. 6/39

DESCRIPTION OF RESOLUTION CHANGE

(B). Extension - From jct. With SR-29 northerly to the Wilberg Mine.
RESOLUTION
Realignment SR-57
Addition CR-482

WHEREAS, the Utah State Legislature granted the request for an appropriation of highway development funds as applied for by Utah Power & Light, to be used on a corridor from the Emery Power Plant to the Peabody Coal Company's Wilberg Mine, and

WHEREAS, Emery County and Orangeville City accepted the results of the study prepared by the Statewide Planning Section as required by the Resource Development Act, and

WHEREAS, the Local Government Liaison Section has recommended the placement of the county road from SR-29 to the Wilberg Mine on the Collector Road System, and

WHEREAS, the Statewide Planning Section has functionally classified SR-57 as a Major Collector, and the county road from SR-29 to the Wilberg Mine as a Minor Collector.

NOW THEREFORE, be it resolved that beginning with the intersection of SR-10 and SR-57 and proceeding northerly along the present alignment of SR-57 for a distance of 2.58 miles thence along new alignment bypassing Orangeville City on the west to SR-29, a distance of 3.26 miles, be designated as SR-57, and

Be it further resolved that the remainder of the old SR-57 alignment, from the beginning of the bypass and going through Orangeville City, be transferred, upon completion of the bypass, to the jurisdiction of Emery County, for a distance of 0.50 miles, and Orangeville City, for a distance of 0.95 miles, respectively, and
That Emery County and Orangeville City may not abandon those sections of the road without prior approval of the Utah Department of Transportation and the Federal Highway Administration, and

Be it further resolved that the county road from SR-29 to the entrance of the Wilberg Mine, a distance of 5.20 miles, be placed on the Collector Road System and designated as CR-482, and

Be it further resolved that the SR-57 mileage will increase 1.81 miles for a total mileage of 5.84 miles, and

That Emery County's "B" System mileage will increase 0.50 miles and the Orangeville City "C" System mileage will increase 0.95 miles, and

Be it further resolved that the Collector Road System mileage will increase to 2588.2 miles, and

That the accompanying application and maps be submitted as a part of this resolution.

RESOLUTION
Addition to State Route 57
Emery County

WHEREAS, Emery County has requested that the roadway from a junction with State Route 29 and 57, northwest of Orangeville in Emery County, northerly to the Wilberg Mine be added to the State System of Highways, and

WHEREAS, to maintain continuity of the State System of Highways it is recommended that this road be an extension of State Route 57.

NOW THEREFORE, be it resolved that the Transportation Commission recommends to the State Legislature that State Route 57 be extended from its present terminus at the junction with State Route 29, northerly to the Wilberg Mine, a distance of 4.37 miles.

That the aforementioned revision to the State System of Highways be submitted to the State Legislature for its approval at the next regular session of the Legislature, and

That by this action the State System of Highways will increase 4.37 miles and Emery Counties "B" Road System will decrease 4.37 miles, and

That the accompanying map be made a part of this submission.
