SUBJECT: Project No. STP-0097(2)0
         SR-97 (Roy, 5600 South)
         Abandon Alley

June 11, 2001

This project was completed a couple of years ago. Now, we have a former alley on the South side of parcel 9:STA9. This alley is land locked and doesn’t have any access. This Alley is 16’x200’, and UDOT won’t need it in the future for any reason. We have been spending money to clean and maintain it so I would like to abandon this alley by Commissioners Resolution and Quit Claim half the width of this alley to the adjoining property owners.

Please forward this request to the Commissioners for their resolution and let me know if I can be of more assistance to you.
