DESCRIPTION OF RESOLUTION CHANGE

(B). Deletion - From Route 68 in Bluffdale easterly coincident with the Bluffdale Road to 800 West transferred to the City of Bluffdale.
RESOLUTION
Addition of State Route 140
Revision of State Route 287

WHEREAS, the Mayor of Bluffdale has requested that the roadway known as the Bluffdale Road, 14600 South in Bluffdale, be transferred to the jurisdiction of the Utah Department of Transportation, and

WHEREAS, this roadway is a major connection between two main state highways, and

WHEREAS, the District 2 Director concurs with this addition to the State Highway System, and

WHEREAS, the appropriate staff members of the Transportation Planning Division have reviewed this request and recommend that the subject road be added to the state system of highways,

NOW, THEREFORE, be it resolved as follows:

That the Transportation Commission recommend to the next Legislature that in accordance with Section 27-12-27 of the Utah Code Annotated, 1953, the Bluffdale Road from State Route 68 easterly to the on and off ramps on the east side of State Route 15 (2.54± miles) be added to the State System of Highways and be designated as Route 140, and that the portion of State Route 287 presently traversing the Bluffdale Road, a distance of 0.18± miles be deleted as a part of route 287.

That by this action Bluffdale "C" System mileage will decrease 2.36± miles, and the State System of Highways will increase by this same mileage.

That the accompanying maps, letter and memorandum be hereby incorporated into this submission.

Dear Mr. Kay:

Subject: 14600 South St., Bluffdale, Utah.

During the past ten years the following businesses have located on 14600 South in Bluffdale City:

- Anderson Realty
- Geneva Rock
- Utah Roses
- Wilcox Associates
- Southeast Sand & Gravel
- Hall's
- Ballard Construction
- Carlson Construction
- Draper Sand & Gravel
- Peterson & Sons Exc., Inc.
- Crystal Springs Fisheries
- Advanced Modular Mfg.
- Gann Bros.

The National Guard also uses this street quite often to get to Camp Williams.

Said road, also has several major safety problems which the City of Bluffdale is unable to finance.

Due to the increased businesses and traffic from Interstate 15 to the State Road 68, Bluffdale City fees 14600 South should be classified as a Collector Road under State jurisdiction.

Your consideration into this matter will be greatly appreciated.

Sincerely,

Lee G. Wanlass
Mayor, Bluffdale City

FROM: Blaine J. Kay, P.E.
      District Two Director

SUBJECT: Functional Classification and Jurisdictional Assignment
         14600 South Street - Bluffdale

Because of increased use through expanded business and other activities along the subject road, Bluffdale City has petitioned UDOT to favorably consider establishing the road between the Bluffdale/1-15 Interchange and Redwood Road as a major Collector Road and transfer jurisdiction to the State.

Your cooperation in scheduling and conducting a functional classification review which would serve as a basis for response to the City would be appreciated. We wish to be of assistance; therefore, your advice on how we or the City might help in facilitating this study is welcome.

RESOLUTION

Moratorium on State Highway System Revisions

WHEREAS, the Utah League of Cities and Towns and the Utah Association of Counties are proposing a comprehensive study analyzing highway responsibility, functional classification, funding sources and money distribution formulas, and

WHEREAS, the Utah Transportation Commission recommends support of the study to begin in 1986, and

WHEREAS, there is a definite need to establish criteria for the addition and deletion of roadways or proposed roadways to the State System of Highways

NOW, THEREFORE, be it resolved as follows:

That a moratorium on State Highway System additions be in effect until the completion of the proposed study.

That the only exceptions to this moratorium will be those roadway connections built to assure proper function of the Interstate System and existing routes built on new alignment.

Dated this 13th day of December, 1985.

Addition to State Highway System Porter Rockwell Boulevard
Transfer Portion of State Highway SR-140 to Local Jurisdiction
Maintenance of SR-140 and Porter Rockwell Boulevard
Salt Lake County

WHEREAS: Section 72-4-102, 72-4-103, of the Utah Code provides for “Additions to or deletions from state highway system – Designation of highway as state highways between sessions”, and

WHEREAS: The City of Bluffdale Officials, hereinafter referred to as the “City” have requested the Utah Department of Transportation, hereinafter referred to as “UDOT” to transfer a portion of roadway residing as SR-140 described herein, to be placed under the maintenance and jurisdictional responsibility of the City in conjunction on the transfer of a portion of roadway residing as Porter Rockwell Boulevard be placed under the maintenance and jurisdictional responsibility of UDOT, and

WHEREAS: UDOT and the City have entered into a cooperative agreement to define the terms and conditions, including financial obligations; as well as maintenance and improvements for SR-140 and Porter Rockwell Boulevard until the bridge over the Jordan River on Porter Rockwell Boulevard is completed and traffic can travel from SR-68 (Redwood Road) to SR-140, and

WHEREAS: in cooperation with the Region Two Director, along with the appropriate staff of the Program Development and Planning Division, reviewing the criteria for state highways and the request of the duly appointed officials of the City, concur with the request to transfer ownership, maintenance and jurisdictional responsibilities to the City, for the transferred roadway described herein, and

WHEREAS: the Region Two Director recommends SR-140 be now described as follows: From 800 West in Bluffdale easterly on 14600 South to the on and off access ramps on the east side of Route 15.

WHEREAS: the Region Two Director recommends Porter Rockwell Boulevard be described as follows: From Route 68 in Bluffdale northeasterly on Porter Rockwell Blvd to Route 140.

NOW THEREFORE, be it resolved as follows:

1. A portion of roadway known as SR-140 described as follows: From Route 68 at Bluffdale easterly coincident with the Bluffdale Road to 800 West, a distance of
1.623 ± miles and depicted in Exhibit “A” be deleted from the State Highway System and placed under the maintenance and jurisdictional responsibility of the City and placed on the Federal Aid System as a portion of Route 2038. This roadway will remain functionally classified as Minor Arterial increasing class “C” road funding 1.623 ± miles for the City in which this roadway resides.

2. A portion of roadway known as Porter Rockwell Boulevard (Route 2075) described as follows: From SR-68 (Redwood Road) easterly to SR-140, a distance of 3.047 ± miles and depicted in Exhibit “A” be added to the State Highway System and placed under the maintenance and jurisdictional responsibility of UDOT as SR-131. This roadway will remain functionally classified as Other Principal Arterial decreasing class “C” road funding 3.047 ± miles in which this roadway resides.

3. By these actions UDOT and The City of Bluffdale also desire to share the responsibility in the maintenance and improvements of Porter Rockwell Boulevard and SR-140 and have entered into a Cooperative Maintenance Agreement to define these terms and conditions of the aforementioned roadways.

4. The aforementioned transfer and addition of state highway will become effective upon passage by the Utah Transportation Commission.

5. The accompanying letter of agreement from The City of Bluffdale, Cooperative Maintenance Agreement between UDOT and The City of Bluffdale and map marked Exhibit “A” will be made part of this resolution.

COOPERATIVE
MAINTENANCE AND FINANCIAL AGREEMENT
Porter Rockwell Boulevard and SR-140

THIS COOPERATIVE AGREEMENT is made and entered into this day of 9-19, 2016, by
and between the Utah Department of Transportation, hereinafter referred to as “UDOT” and the
City of Bluffdale, a municipal corporation in the State of Utah, hereinafter referred to as the “City.”

RECATIALS

WHEREAS the City desires to transfer by quitclaim deed ownership of a portion of Porter Rockwell
Boulevard from SR-68 (Redwood Road) to SR-140 to UDOT and UDOT will transfer by quitclaim
deed ownership of a portion of SR-140 from SR-68 (Redwood Road) to the intersection of 800 West to
the City;

WHEREAS UDOT will coordinate the advancement of programmed federal funds from WFRC to the
City at execution of this agreement to complete the construction of Segment 5 (Redwood Road to the
Jordan River) of Porter Rockwell Boulevard and the City will reimburse UDOT using the WFRC funds
programmed in FY 2018 – 2020;

WHEREAS UDOT will reimburse the City for expenditures associated with the construction of Porter
Rockwell Boulevard;

WHEREAS the parties desire to share maintenance and improvement responsibilities of SR-140 and
Porter Rockwell Boulevard within the City until the bridge over the Jordan River is open to traffic;

WHEREAS this agreement is made to define the terms and conditions for maintenance and
improvement responsibilities between the parties; and

WHEREAS this agreement shall not be binding without the approval of the roadway transfer of Porter
Rockwell Boulevard (from SR-68 to SR-140), and for SR-140 (from SR-68 to 800 West) by the Utah
Transportation Commission through Resolution.

AGREEMENT

NOW THEREFORE, it is agreed by and between the parties hereto as follows:

1. The City will provide UDOT with a quitclaim deed for a portion of Porter Rockwell Boulevard
from SR-68 to SR-140. UDOT will provide the City with a quitclaim deed for a portion of
SR-140 from SR-68 to the intersection of 800 West to the City.

2. The City shall hereafter until the termination of this agreement, assume at no cost to UDOT, all
maintenance responsibilities on Porter Rockwell Boulevard between SR-68 (Redwood Road)
and SR-140 as shown in “Exhibit A”, as follows:

- Snow removal consistent with the existing City snow removal standards;
- Sweeping, debris and litter pickup of street, shoulders and curbs on a regular basis;
- Graffiti removal from structures within the City Right of Way in a timely manner; and
- Normal maintenance responsibilities not outlined herein as defined in Utah Administrative Code R918; Transportation, Operations, Maintenance.

3. The City shall conform to the City’s Traffic Control procedures and standards contained in the current Manual on Uniform Traffic Control Devices when performing work within the Porter Rockwell Boulevard Right of Way.

4. The City shall, prior to its performing any activities within the right of way outside the scope of this agreement, obtain a permit for access on UDOT Right of Way from UDOT Region Two.

5. Until the termination of this agreement, UDOT, at its cost, shall continue all maintenance responsibilities on 14400 South, 1690 West, and 14600 South between SR-68 (Redwood Road) and 800 West as shown in Exhibit A (“14600 South Right of Way”) as follows:

- Snow removal consistent with the existing UDOT Snow Removal Policy 06A-42 snow removal standards.
- Sweeping, debris and litter pickup of street, shoulders and curbs on a regular basis.
- Graffiti removal from structures within the UDOT Right of Way in a timely manner.
- Normal maintenance responsibilities not outlined herein as defined in Utah Administrative Code R918; Transportation, Operations, Maintenance.

6. UDOT shall conform to UDOT’s Traffic Control procedures and standards contained in the current Manual on Uniform Traffic Control Devices when performing work within the 14600 South Right of Way.

7. UDOT shall, prior to its performing any activities outside the scope of this Agreement, obtain a permit for access on City right of way from the City.

8. UDOT reserves the right to remove any and all landscape improvements from the 14600 South Right of Way if deemed necessary for safety, roadway widening or other activities. UDOT shall not be responsible for replacement costs for damage to plant materials, landscaping facilities or aesthetic features.

9. The City reserves the right to remove any and all landscape improvements from the Porter Rockwell Boulevard Right of Way if deemed necessary for safety, roadway widening or other
activities. The City shall not be responsible for replacement costs for damage to plant materials, landscaping facilities or aesthetic features.

10. UDOT has the right to conduct periodic inspections of the described maintenance responsibilities to ensure safety and proper maintenance practices by the City.

11. The City has the right to conduct periodic inspections of the described maintenance responsibilities to ensure safety and proper maintenance practices by UDOT.

12. UDOT agrees concerning the improvements on Porter Rockwell Boulevard and SR-140 as follows:
   1. To act as approval authority for additional access requests on Porter Rockwell Boulevard and to grant the accesses shown in "Exhibit B";
   2. Upon execution of this agreement, UDOT will place Porter Rockwell Boulevard on the State's prioritization list for Transportation Improvement Funds (TIF), and make recommendation of the Jordan River Bridge, to the Utah Transportation Commission based upon a statewide prioritization process, economic development potential, and public input. (The TIF is currently fully programmed through fiscal year 2022);
   3. To apply for Corridor Preservation funding to purchase property for the seven-lane facility identified in Porter Rockwell Environmental Assessment; and
   4. Include the City as a stakeholder in the design and construction of the Jordan River Bridge.

13. The City agrees concerning the improvements on Porter Rockwell Boulevard and SR-140 as follows.
   1. To adhere to the Porter Rockwell Boulevard access plan outlined in the Environmental Assessment as shown in "Exhibit B." UDOT will decide whether an access application will be granted for Porter Rockwell Boulevard;
   2. To act as approval authority for additional access requests on 14600 South Right of Way, west of 800 West;
   3. To use reasonable effort, with property owners and developments, to preserve the seven-lane Porter Rockwell Boulevard corridor (the Parties acknowledge that funding is not presently available for all such corridor preservation needs);
   4. To complete the construction of Porter Rockwell Boulevard from SR-68 (Redwood Rd) to SR-140, except for the Jordan River Bridge, as described in "Exhibit C". The City will be utilizing local funds, and federal funds programmed by WFRC, in accordance with FHWA standards to build the facility.
   5. To provide UDOT a maximum of 30 days from the date of submission to UDOT to review any Porter Rockwell Boulevard construction plans. The construction plans shall meet UDOT's standards and specifications.

14. UDOT agrees to include the City as a stakeholder in the design of the future intersection configurations at Porter Rockwell Boulevard and SR-140 and on all future connections resulting from redevelopment of the prison property.

15. Upon execution of this agreement, UDOT shall coordinate the advancement of $4,770,000 of
programmed federal funds to the City, that are currently available in FY 2018-2020 from WFRC for Segment 5 (Redwood Road to Jordan River) of Porter Rockwell Boulevard.

16. UDOT agrees to allow the City to relocate the existing detention ponds, located East of SR-68 (Redwood Road) and Porter Rockwell Boulevard, as part of the construction of Segment 5. The City agrees to provide and maintain the capacity of the existing ponds and follow all relevant statutes and rules associated with the relocation of the existing ponds.

17. Upon execution of the agreement, UDOT shall request the Utah Transportation Commission program funds to reimburse the City a maximum of $8,558,944 for expenditures made by the City on Porter Rockwell Boulevard on or before the date construction begins on the Jordan River Bridge. The City seeks immediate payment of $1,500,000. Further, UDOT agrees to work in good faith to identify and reimburse the City the remaining balance of $7,058,944 on or before the date construction begins on the Jordan River Bridge.

18. The City agrees to accept responsibility to maintain landscaping, sprinkler or drip irrigation system, or site amenity items, including landscaping behind the curb and gutter, which are installed within the right-of-way of Porter Rockwell Boulevard in perpetuity, and in accordance with Utah Code 72-3-109 and UDOT Policy 08A2-05.

19. UDOT and the CITY are both governmental entities subject to the Governmental Immunity Act. Each party agrees to indemnify, defend and save harmless the other party from any and all damages, claims, suits, costs, attorney’s fees and actions arising from or related to its actions or omissions or the acts or omissions of its officers, agents, or employees in connection with the performance and/or subject matter of this Agreement. It is expressly agreed between the parties that the obligation to indemnify is limited to the dollar amounts set forth in the Governmental Immunity Act, provided said Act applies to the action or omission giving rise to the protections of this paragraph. This paragraph shall not be construed as a waiver of the protections of the Governmental Immunity Act by the parties. The indemnification in this paragraph shall survive the expiration or termination of this Agreement.

20. All terms and conditions contained herein will perpetuate to the benefit of and be binding upon the parties hereto, their successors and assigns based on the action of the Utah Transportation Commission pertaining to the transfer outlined in the recitals above. This agreement shall terminate upon the completion of the bridge over the Jordan River and traffic can travel from SR-68 (Redwood Road) to SR-140 on Porter Rockwell Boulevard. Early termination may only be granted upon written agreement between the parties.
IN WITNESS WHEREOF, the parties hereto have caused these presents to be executed by their duly authorized officers as of the day and year first above written.
