Transportation Improvements
2018 CONSTRUCTION PROJECT MAP

PROJECT LEGEND

1. S.R. 35; Motorcycle-Safe Guardrail (MP 17.3-20.8)
   Contact: udotregion3@utah.gov

2. U.S. 40; Daniels Canyon Westbound Passing Lane (MP 30.8-34.2)
   Contact: 855-740-8740; us40@utah.gov

3. S.R. 113/222; Resurfacing between Heber and Midway (MP 4.0-7.2)
   Contact: 877-495-4240; udotregion3@utah.gov

4. S.R. 113; Safety Improvements at 600 West (MP 6.4-6.7)
   Contact: udotregion3@utah.gov

5. S.R. 113 Bridge Rehabilitation over Provo River in Midway (MP 5.2-5.3)
   Contact: 877-495-4240; udotregion3@utah.gov
1. S.R. 35; Motorcycle-Safe Guardrail (MP 17.3-20.8)
Crews will work in the shoulder to install an additional safety guard to the underside of existing guard rail on S.R. 35. The additional piece is designed to protect motorcyclists during a fall or collision. This will be the first installation of its kind in Utah.
Timeline: Summer 2018

2. U.S. 40; Daniels Canyon Westbound Passing Lane (MP 30.8-34.2)
This project will widen U.S. 40 to extend the westbound passing lane from Daniels Summit. The road will be reduced to one lane in each direction. In addition, the road will be intermittently reduced to one lane with a flagging operation to direct traffic as crews resurface.
Timeline: Summer 2018

3. S.R. 113; Resurfacing between Heber and Midway (MP 4.0-7.2)
Crews will resurface S.R. 113 between Heber Main Street and 200 West in Midway. The road will be reduced to one lane with flagging operations to direct traffic. This work will take place Monday through Friday during daytime hours for approximately one month.
Timeline: May-June 2018

4. S.R. 113; Safety Improvements at 600 West (MP 6.4-6.7)
Crews will widen the roadways at the S.R. 113 and 600 West intersection to add left-turn lanes. This project will enhance safety in the area and will take place weekdays during daylight hours.
Timeline: May-July 2018

5. S.R. 113 Bridge Rehabilitation over Provo River in Midway (MP 5.2-5.3)
This project will rehabilitate the bridge structure and deck. The road will be reduced to one lane with a flagger to direct traffic as crews construct one half of the bridge at a time. This work will take place weekdays between 9 a.m. to 9 p.m.
Timeline: March-May 2018
