Enter Supplier Information – Must Have “Supplier” Role

The screenshot shows the 'Strands Form' interface. At the top, there are buttons for 'Save', 'Cancel', 'Save and Continue', 'Send for Review', and 'Submit'. The 'Submit' button is circled in red and labeled with a '4'. Below the buttons, the form is divided into sections: 'Strands', 'Supplier Results', 'AASHTO Specifications', and 'Attachments'. The 'Strands' section contains fields for 'Sample ID', 'Supplier', 'Project Number', 'Type', and 'Heat #'. The 'Supplier' dropdown is circled in red and labeled with a '1'. The 'Supplier Results' section contains fields for 'Yield Strength (psi)', 'Ultimate Strength (psi)', and 'Elongation (%)'. The 'Yield Strength' and 'Ultimate Strength' fields are circled in red and labeled with a '2'. The 'AASHTO Specifications' section contains a table with columns for 'Yield Strength (psi)', 'Ultimate Strength (psi)', and 'Elongation (%)'. The 'Attachments' section contains a table with columns for 'Document Name', 'Url/Link', 'Title', and 'Uploaded By'. The 'Upload Document' button is circled in red and labeled with a '3'.

- 1 Enter strands information
- 2 Enter supplier results
- 3 Upload documents
- 4 Select “Submit”
- 5 Provide notes
- 6 Select “OK”

The screenshot shows the 'MasterWorks' dialog box. It has a 'Notes' section with a text area. Below the text area is a 'Set Days To Complete for Next Stage' field. There is an 'Attachments' section with a table that has columns for 'Document Name', 'Title', 'Uploaded By', 'Uploaded Date', and 'File Size'. The 'Upload Document' button is circled in red and labeled with a '6'. The 'OK' button is circled in red and labeled with a '5'.

## Complete Strands Form

The screenshot shows the Masterworks software interface. On the left is a navigation menu with categories like Enterprise Search, Notifications, Online Users, and Material Management. The main area displays the 'Strands Form' with a toolbar containing options like Edit, View, Delete, Attachments, and Manage. Below the toolbar is a data table with columns for Sample ID, Heat #, Supplier, Project Number, Type, Test Date, TestedBy, Workflow Status, and Pending On Role(s). The table contains three rows of data. The 'Workflow Status' column for all three rows is 'Complete'. A red box highlights the 'Complete' value in the first row, and a red arrow points from this box to a text box containing the text 'Workflow Status is "Complete"'. The bottom of the interface shows a Windows taskbar with 'Home' and 'Projects' buttons, and a page number 'Page 1 of 1'.

Sample ID	Heat # *	Supplier	Project Number	Type	Test Date *	TestedBy	Workflow Status	Pending On Role(s)
190003	023	Western Coating	12222	Strands 0.5 in	08/06/2019	MMarvedel	Complete	None
190002	024	Western Coating	S-184-6(136)91	Strands 0.5 in	08/06/2019	MMarvedel	Complete	None
180001	S0290923	Western Coating	12222	Strands 0.6 in	11/28/2018	ssstrader	Complete	None
