

**Supplemental Specification  
2017 Standard Specification Book**

**SECTION 00747M**

**DISPUTE REVIEW BOARD**

**Delete 1.7 B and replace with the following:**

- B. The Department in conjunction with the Associated General Contractors of Utah (AGC) maintains a list of suggested DRB candidates experienced in construction processes, interpretation of contract documents, and resolution of construction disputes. List available at:  
<http://www.udot.utah.gov/go/standardsreferences>
1. The DRB members may be selected from this list or other qualified individual or individuals agreeable to both the Department and the Contractor.
  2. The Board member must be experienced in highway or transportation projects or both.
  3. DRB members must be neutral, act impartially and in the best interest of the project, and be free of any conflict of interest.
