

PROJECT OVERVIEW

UDOT plans to improve the interchange located at I-15 and 9000 South by adding additional lanes to the ramps and widening 9000 South, east of I-15 to Monroe Street. Construction is expected to begin in June and is expected to continue through October 2017*

IMPROVEMENTS INCLUDE:

- Lane additions to the on and off ramps
- Signal modifications
- Alleviated traffic congestion
- Improved accessibility on and off I-15
- Increased safety
