

Henefer

IMPROVEMENTS

I-84 & S.R. 65

Overview

The Utah Department of Transportation (UDOT), in coordination with the city of Henefer, will be conducting the final phases of roadway improvements along I-84 and S.R. 65. The first phase was completed in fall 2020 and the second phase will begin in summer 2021. This project is being done to improve aging bridges and pavement and to enhance mobility and safety for residents and commuters.

Phase two will include rehabilitation of the S.R. 65 bridges over the Weber River as well as a replacement of the S.R. 65 bridge over I-84. New cable barrier will also be installed as part of the improvements.

Summer-Fall 2021

- Median cable barrier replacement on I-84 from milepost 112 to 119
- Rehabilitation of the S.R. 65 bridge over the Weber River
- Replacement of the S.R. 65 bridge over I-84
