

SR-10 PROJECT OVERVIEW

SR-10 from approximately 1350 South to 2850 South

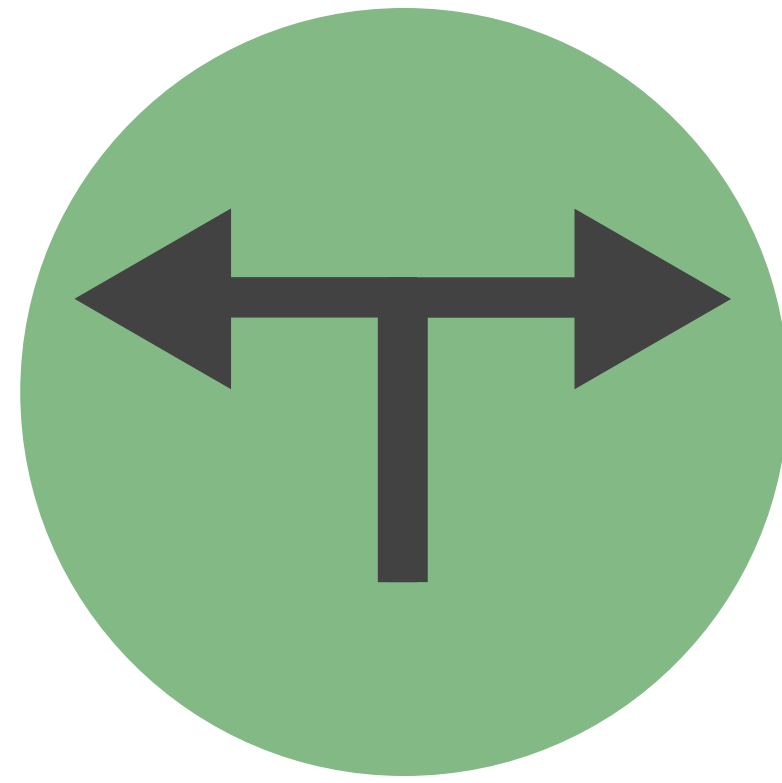

- New north limits will tie into existing 3 lane section at ~1350 South (Castle Country Youth Center)
- Section from 2850 South to 3200 South will be included in a future project(s) based on funding. Some right-of-way will be purchased in this area now to prepare for the future project(s).

TYPICAL SECTION

Right-of-way narrowed on west side of road to reduce property impacts

SAFETY IMPROVEMENTS

Provide
center turn
lanes

Provide
sidewalk

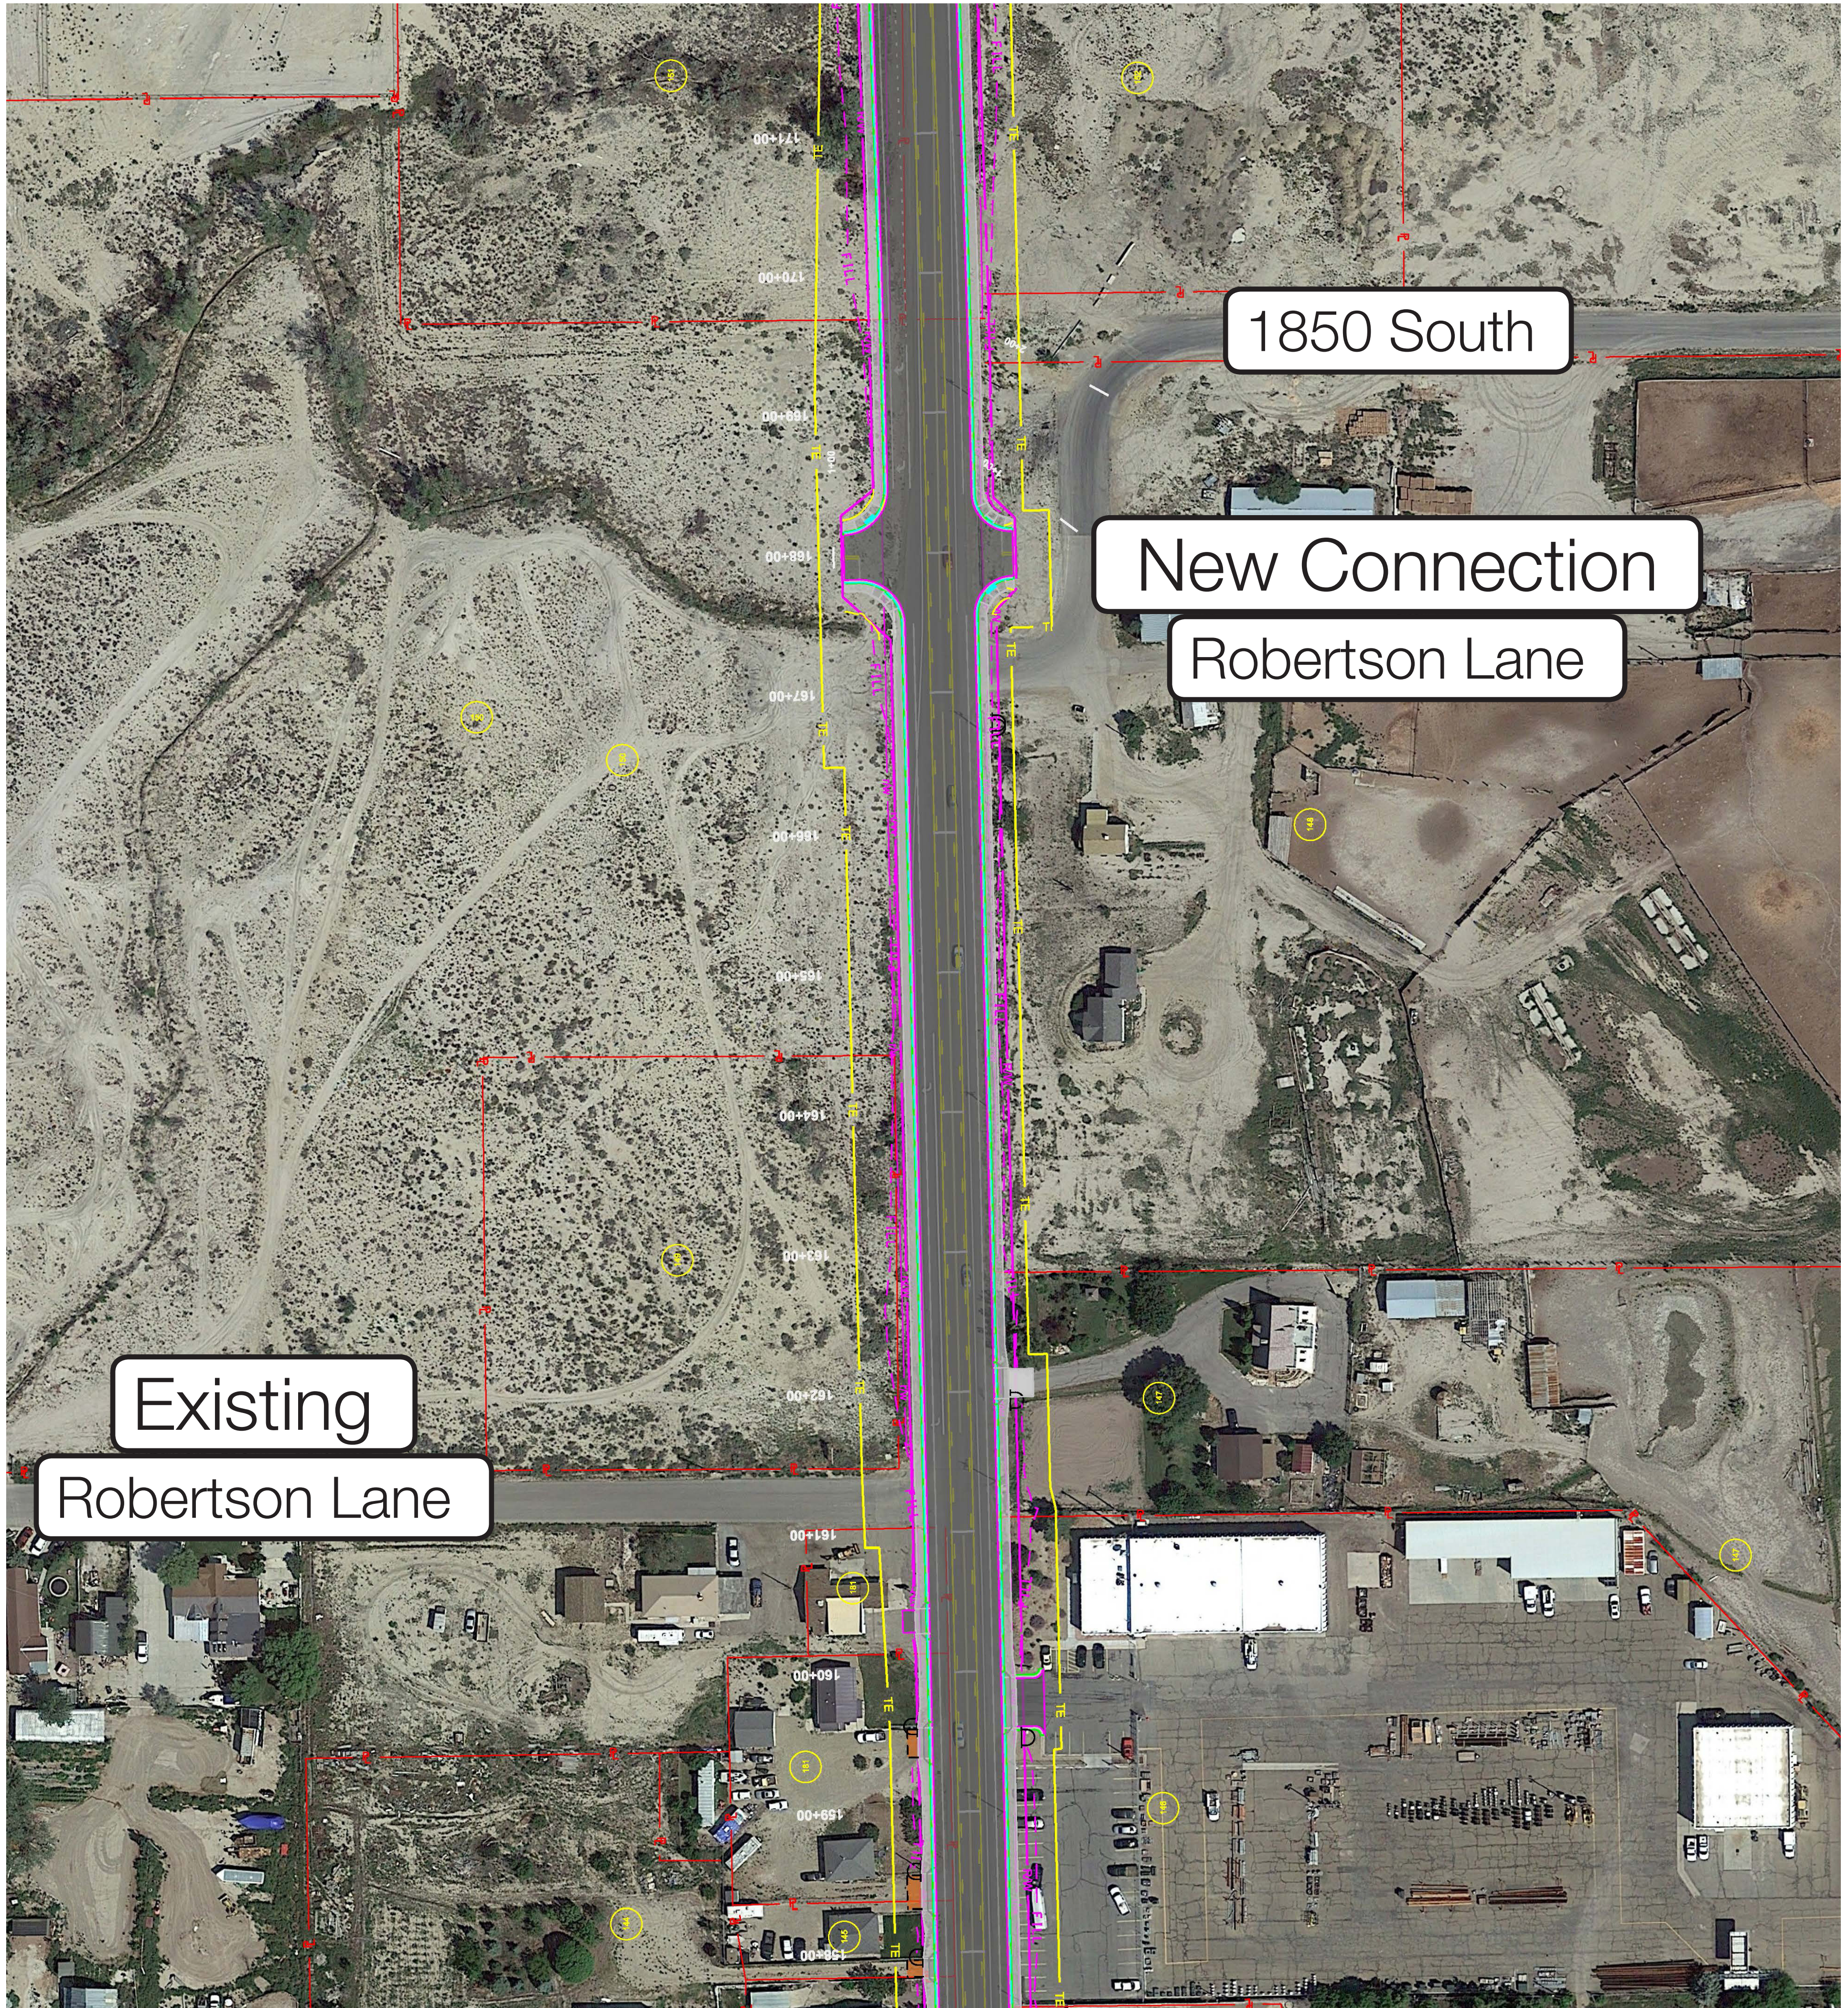

Widen
shoulders

OTHER IMPROVEMENTS

• Curb & Gutter

• Drainage

ROBERTSON LANE IMPROVEMENTS

Robertson Lane (2000 S.) will be relocated in Fall 2017. The SR-10 Project has modified its design to incorporate this change. For additional information on that project, please contact Carbon County.
