

SR-68 (Redwood Road)

RENOVATED

6700 South to 4700 South

UDOT plans to renovate SR-68 (Redwood Rd.) from 6700 South to 4700 South.

This project will resurface the roadway and reconstruct various pedestrian access ramps.

Construction is scheduled to begin mid-May and is expected to continue through early July.*

- Crews are expected to work days and nights as needed to quickly complete the construction activities.
- Surrounding residents and businesses can expect traffic restrictions, congestion, construction equipment and vehicles in the area, and an increase in noise, dust and vibration.

*Construction schedules are subject to change due to utility, material, weather or equipment delays.
