

Construction Notice

The Utah Department of Transportation (UDOT) is planning to renovate SR-68 (Redwood Rd.) from 6700 South to 4700 South.

Overview

This project will resurface the roadway and reconstruct various pedestrian access ramps. Construction is ongoing and is expected to continue through early July. *

- Crews are expected to work days and nights as needed to quickly complete the construction activities.
- Surrounding residents and businesses can expect traffic restrictions, congestion, construction equipment and vehicles in the area, and an increase in noise, dust and vibration.

The sequence of construction is expected to be:

- Pedestrian access ramps reconstruction
- Storm drain improvements
- Paving operations

STAY INFORMED!

Sign up for project emails to stay up-to-date on construction progress and impacts at adeslis@utah.gov with “Redwood Road” in the subject line regarding the features of the project.

Project impacts to travel can be found on the UDOT Traffic website, www.udot.utah.gov/traffic or by downloading the UDOT Traffic app.
