

UDOT plans to renovate SR-209 (9400 South) from 2200 East to Little Cottonwood Canyon

This project will resurface the roadway and reconstruct various pedestrian access ramps.

Construction is scheduled to begin early June and is expected to continue through late August.*

- Crews are expected to work during daylight hours.
- Surrounding residents and businesses can expect traffic restrictions, construction equipment and vehicles in the area, and an increase in noise, dust and vibration.

*Construction schedules are subject to change due to utility, material, weather or equipment delays.
